## WHAT WE DO

### OUR VISION

To be the focal point of surf lifesaving activities within the City of Rockingham, providing beach patrol services to Secret Harbour Beach and to other swimming beaches within the City as determined by resources and qualified members.

### OUR MISSION

We exist to provide surf lifesaving patrol services to Secret Harbour Beach, and to other swimming beaches within the City of Rockingham as determined by the availability of resources and qualified members.

To achieve this mission we must:

- Maintain high standards of education and vigilance.
- Continue our proud record of no lives lost during surf lifesaving patrols.
- Be highly regarded by the local community as a volunteer service provider.
- Foster and promote the ideals of healthy lifestyle to our members and the local community.

### OFFICIAL OPENING OF THE SECRET HARBOUR SURF LIFESAVING CLUB

On the 18 September 2016 we were delighted to welcome Her Excellency the Honourable Kerry Sanders AC, Governor of Western Australia and His Worship the Mayor, Cr. Barry Sammels to officially open the new Secret Harbour Surf Lifesaving Club.

## PRESIDENT'S REPORT

**T**his was our first full season in our beautiful new facility, there has been a lot of work by so many of our members to ensure a fairly easy transition into the building. However, with all new things there have been some expected teething problems. We are continually learning how best to run a multi-level club and the intricacies in doing so. As a club, we are committed to continued development as we move forward, to ensure we are running efficiently and as effectively as possible.

The season has provided a mixed bag of weather which has impacted on numbers across the board. Visitors to our beach this season has dropped by nearly 20,000, which is a massive drop off. No matter the numbers on the beach or the conditions on the day, the club has continued to provide an outstanding lifesaving service to the local community on our beach, Penguin Island, Abalone Patrols and other community events in the local area. So thank you to all our patrolling members and volunteers, we could not do it without you.

We have been fortunate to witness some very talented local artists on the Sundeck during the season. The weather has affected the crowd on a couple

of occasions, but as an initiative I believe it has been successful and it's been fantastic to see not only our members enjoying the tunes, but also the local community. We will try and develop this more next season and will be looking into some other initiatives during the off season. For these events to remain in place, they need to be viable so we need as many members as possible to come down and support the club.

During the off season, we will welcome Fine Tune Fitness to

our club when they move into the new Gym and we would like to thank them for their patience this season. Due to varying issues, we have been unable to secure a lessee for the Cafe. A committee will be formed over the winter months to explore other options.

During the season, it has been great to watch the nippers on the beach enjoying themselves, as well as developing their surf awareness. Our coaches have also been working at honing our athlete's skills and our trainers

have been teaching and up skilling the membership. A lot of these things can be seen on most days of the week at our beach and it wouldn't be possible without the age managers, coaches, trainers and the hours they dedicate freely to make these things happen. The club literally could not function if it weren't for these groups, so a big thanks to all of you it really is appreciated by everyone.

The Board of Management has worked tirelessly throughout the season to provide the members

the best service possible. Each role has its unique challenges and demands which takes a huge commitment to achieve the desired results. I would like to thank the entire board for all their efforts and dedication throughout the season. We have seen a few changes of personnel throughout the year for personal/work related reasons and we thank Caroline Bates, Nick Le Plastrier for their service, and Steve Pescud for putting his hand up late in the season to help out as Director of Finance and Administration.

I would also like to thank all those who have supported me and the Board of Management this year. There is a lot that goes on behind the scenes in order for everything run smoothly for the membership and functions, this is due to the hard work of our admin staff Sharon Phillips, Anita Sharpes, Elaine Dexter and finance team Caroline Bates and Megan Anderson. Thanks to all of you for your outstanding efforts and dedication for a sometimes thankless job.

This season has required a lot of extra work with the new club and the setup of the various functional areas, with the majority of the work now completed, which is fantastic. I think you will all agree the club is looking great with a few little things to finish off in a couple of areas. Hopefully our membership numbers will continue to grow next season so we can engage more of the local community and get them involved in the great family culture at our club, which we can all be very proud of. Again, well done to everyone and thanks for all your efforts this season.

Cheers,

Rick Lowe  
President SHSLSC

## VICE PRESIDENT'S REPORT

**A**nother exciting season has drawn to a close at Secret Harbour and I must say as Vice President I am proud to be involved with a club with so many dedicated and hard working volunteers.

I would like to acknowledge and thank the following people; the Administrative staff Sharon, Anita & Elaine with the support of Nick, Caroline, Steve, Megan & Kim; Matt for an outstanding effort in PR and Sponsorship; Linda, Jodie and all the bar staff; Deb's Surf Sports team; Bec in her debut year of co-ordinating Nippers together with the age group managers, their assistants, water safety, beach setup crews; Coaches and supporters who help set up our base camps at carnivals; sausage sizzlers; raffle ticket sellers; tin shakers; all the volunteer lifesavers and anyone else who has taken an active part in the general day to day running of the club. All of their hard work has enabled us to provide the Members with an enjoyable and positive experience on the beach over the past summer. I would also like to mention 'behind the scenes' work of Rohan Pugh, Mark Turley, Rick Lowe who have assisted with mounting TVs, board racks, shelving and

all the little things that were not included in the building.

We have completed our first year operating from the new clubrooms and needless to say we are still working through teething problems associated with the establishment of policies, procedures and the general business model of the club in order to find the right fit for all club members, whilst utilising the new facility to its full potential.

Unfortunately we did not finalise the head lease with the City of Rockingham until late November which restricted the club considerably, especially with respect to being able to do any kind of decoration or alterations in the club.

The delay in the head lease also impacted on our ability to lease the Gym and Cafe areas, as we were unable to negotiate

sub-leases until the head lease was signed. This unfortunately led to our preferred cafe lessee withdrawing their offer, when another opportunity presented itself to them.

We are now currently investigating other options for the cafe space.

Fortunately, Pete Cameron from Fine Tune Fitness has been very patient and we have now finalised their sub-lease. We are expecting Fine Tune Fitness to be operating in the next few months depending on the delivery of equipment.

We now look forward to next season when we can focus on the general running of the club.

Thank you again

Ron Wade  
Vice President

## CLUB CAPTAIN'S REPORT

**W**hen I took on the role of Club Captain, I had to seek clarification of the portfolio. My conclusion is "Anything that involves Water Activities" this includes Education, Surf Sports, Youth and Lifesaving.

### LIFESAVING

The patrolling season finished at the end of March and has continued in a volunteering way, up until the last weekend in April. Iain Lund, Director of Life Saving has been at the helm and has co-ordinated the Patrol Roster and also made himself available for extra duties racking up the hours. We have successfully patrolled the Secret Harbour Beach and Penguin Island with many rescues, preventive actions and administering first aid as required. A special thanks to Daniel Andrew for his assistance and link between Life Guards and the Club Members.

### EDUCATION

The amount of training that is conducted throughout the year is amazing. Lead by the Director of Training and Education, Megan Williams and her team of dedicated instructors working tiring hours to provide well-structured courses. The Bronze and SRC courses have seen large numbers qualifying as new

patrolling members, reducing the work load on existing Patrols. Thank you to all involved.

### SURF SPORTS

The Club was represented in all codes from Junior to Seniors and competed in the only way that Secret Harbour know how, 110%. This takes a large effort from the Administration staff and is co-ordinated by Deb Bird, Director of Surf Sports. The club competed at National, State and local carnivals. A special thanks to the coaches and supporting parents that spend hours on the beach ensuring that the competitors make the start line on time.

### YOUTH

The heart of the club and the future resides amongst the Cadets and Nippers. 9 o'clock Sunday morning 400 +

nippers muster on the lawn for a brief from Rebecca Hughes, Director of Youth. This year saw some testing conditions with the better months after Xmas. Special thanks to all the age group managers, water safety lead by Grant Stirling and parents that manned the canteen and setup the beach. In the background Gary Williams was coordinating the Cadet program. Gary arranges outings including Defence visits, VMR day, honing skills such as rock rescues and just recently a stay at Busselton Legacy Camp.

With large numbers of Dolphins through to Cadets I have great confidence that Secret Harbour Surf Club will remain strong.

Club Captain

**T**his year has been another successful year for the lifesaving patrols.

This season has seen 31,480 people recorded visiting Secret Harbour beach. We performed 79 rescues and conducted 42 first aids, with 1112 preventative actions recorded.

As usual we have had a mix of conditions, with some flat calm days and some days with sizable waves and multiple strong rips running. The conditions dictated that the majority of rescues were conducted on just a few days. A number of these

were mass rescues, where a number of people required rescuing simultaneously and the efforts of the entire patrol were involved in achieving the rescues.

Our core patrol remained at Secret Harbour beach, with roving patrols undertaken up to the dog beach and down to Golden Bay and Singleton.

This year, reaffirming our commitment to the safety of the Penguin Island sandbar, we moved to providing rostered patrols of the Penguin Island sandbar on weekends outside of the peak period of DPAW (Department of Parks and

Wildlife) employed Lifeguards. Again this year, the club provided water safety coverage at Penguin Island and Point Peron during the Abalone season.

Overall patrol hours for the year were 4777 and club members in the Peel Wesfarmers Lifesaver Jet Ski Team, contributed another 568 hours. This is a great effort by the club, and is a significant volunteer contribution to the community.

This year we saw Secret Harbour beach part of the trial of using drones for surveillance. While not yet part of our regular patrol, they may well be a regular feature into the future.

We continued to have problems with the Metrowide Radio network, although thanks to the efforts of Stu Reeves conducting numerous tests, this has improved through the season.

The club also provided first aid and water safety services to a number of community groups including: John Calvin School Sports Day Shoalwater Triathlon Rockingham Open Water Swim Rotary Beach Side Festival Rockingham Youth Beach Party LDS Church

The season would not be successful without the work of the lifesaving committee and the Patrol Captains and Vice Captains. These people have worked hard to make sure that patrols are filled, vehicles are fuelled, IRBs are maintained, Radios work, and first aid gear is ready. So thank you to the following people:

**LIFESAVING COMMITTEE:**  
**Daniel Andrew (Patrol Officer), Mark Turley (IRB Officer), Stu Reeves (Radio Officer), Jillian Brown (First Aid Officer), Bryce Pugh (Vehicle Officer).**

**PATROL CAPTAINS:**  
**Danica Bates, Grant Stirling, Alannah Wilson, Megan Williams, Rick Lowe, Ian Phillips, Stu Reeves, Dave Howarth, and Mark Dove.**

**VICE CAPTAINS:**  
**Rob Bates, Marco Da Trindade, Stephen Bridges, Amy Beal, Matt Osborne, Simon Keane, and Mark Turley.**

I would also like to acknowledge the Champion Patrol and best patrolling members for their efforts. These members were considered to be the most diligent in patrolling the beach in terms of:

- 1. PATROL HOURS COMPLETED**
- 2. ATTITUDE TO PATROL**
- 3. DEVELOPMENT AS A PATROLLING LIFESAVER**
- 4. COMPETENCE**

Iain Lund  
Director of Lifesaving

## FINANCE & ADMINISTRATION REPORT

**T**he 2016/2017 financial year ending 30th April 2017 saw another positive result following a very busy year moving into the new Surf Lifesaving Club building. The year ended with a net profit of \$6,391, down \$31,899 on last year mainly due to a \$34,029 increase in depreciation charges from the purchasing of over \$150,000 worth of new assets for the new Club building since the beginning of 2016.

Total revenue for the year was \$478,222, a 44% increase on last year, due to increased function and events activity as well as increases in sponsorship and grants received.

The club ended the year with \$278,426 cash on hand, a slight increase of \$3,944 on last year and an excellent result considering how much has been spent completing the new building. The Club generated \$67,599 from operating activities, mainly from the increased function and events activity and increased sponsorship and grants received, and spent \$63,655 on investing money in new assets such as point of sale system, cool room, security system, bar/facility fitout and surfboards.

The Club continues to rely on funding from numerous

sources, the main areas being trading (54%, 35% from bar/functions, 19% from other activities i.e. merchandising, P&E hire, carnival fees and canteen/BBQs), membership (19%), sponsorship (11%), donations (7%), grants (6%) and fund raising (3%). Another source the club will be able to start raising revenue from will be leasing space on the ground floor, with the first area leased to Fine Tune to open a gym. The Club is still looking at leasing the larger space at the bottom of the building but with the economic environment and the new shopping centres opening locally it is proving challenging.

Future funds have been established to assist with the capital purchase of replacement equipment within the building, lifesaving, boat and admin sections. These future funds were established for the sole purpose of replacing capital equipment i.e. surf boats, inflatable rescue crafts, beach vehicles and purchasing new assets such as signage, boat storage improvements and bar/facility fitouts. The funds are for the future, however can be redirected at the BoM's discretion for the running of the Club and pressing priorities. The funds are not for exclusive use in that section and the use of the funds must be budgeted. The

BoM has increased the balance in the future funds by \$7,000 to \$158,516 to reflect monies raised by the boaties, the split between sections can be seen in note 2 in the financial report.

Membership continues to grow with 1,055 members in 2016/2017, keeping SHSLC in the Top 10 largest WA Surf Lifesaving Clubs. The increasing membership and activity in and around the new building means the operational running and administration of the Club requires more time as well as an increased commercial focus to ensure the Club is financially self-sufficient. The Club's continued success relies heavily on a BoM solely consisting of volunteer members, supported by a small paid part-time team Club Administrator (Sharon Phillips), Members Services Officer (Anita Sharpes) and Club Bookkeeper (Megan Anderson) and more volunteers filling other vital roles such as Treasurer (Caroline Bates) and Bylaws Officer (Garry Williams), but these volunteers will always accept and need the help from others to bring support, new ideas, skills and experiences to continue providing a unique service to the community.

Administration

**SECRET HARBOUR SURF LIFE SAVING CLUB INC****NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 30 APRIL 2017****NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES**

The Committee have prepared the financial statements on the basis that the Secret Harbour Surf Life Saving Club Inc. is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the financial reporting requirements of the members.

The financial report covers Secret Harbour Surf Life Saving Club Inc. as an individual entity. Secret Harbour Surf Life Saving Club Inc. is an association incorporated in Western Australia under the Associations Incorporation Act 2015. The financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB'), as appropriate for not-for-profit oriented entities under the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporations Act 2015.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

**Basis of Preparation**

The financial statements have been prepared on an accruals basis and are based on historical costs. The accounting policies set out below have been consistently applied to all years presented unless otherwise stated.

**Accounting Policies****(a) Income Tax**

The Association has obtained tax-exempt status under current Australian Taxation legislation.

**(b) Inventories**

Inventories are measured at the lower of cost and net realisable value. Cost is determined by the purchase price of the inventories.

**(c) Property, Plant and Equipment**

Each class of property, plant and equipment is carried at cost less accumulated depreciation and impairment losses (if any).

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

The accompanying notes form part of the Financial Statements.

# SECRET HARBOUR SURF LIFE SAVING CLUB INC

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2017

### NOTE 1: STATEMENT OF ACCOUNTING POLICIES (CONT'D)

#### (c) Property, Plant and Equipment (CONT'D)

##### Depreciation

The depreciable amount of motor vehicles and other assets is depreciated on a reducing balance basis.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
First aid room equipment	10% to 20%
Merchandise and Office equipment	10% to 100%
Rescue, Training and Comp equipment	10% to 100%
Social hall, bar and canteen	10% to 100%
Building	10% to 100%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

#### (d) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand and cash at banks.

#### (e) Revenue

Revenue from donations and Interest revenue are recognised upon receipt of the funds.

Grants received for recurrent expenditures and member's subscriptions are recorded as income in the year in which they are earned.

Revenue from sale of goods (trading income) is recognised when the control of goods is passed to members/customers.

All revenue is stated net of the amount of goods and services tax (GST).

#### Future Funds

Future funds have been established to assist with the capital purchase of replacement equipment for the following sections of building, commercial ventures, lifesaving, administration and boat.

These future funds were established for the purpose of funding certain commercial ventures, in addition to replacing such capital equipment as surf boats, inflatable rescue crafts and beach vehicles. The funds placed in these accounts are for the future, however can still be directed at BoM discretion for the running of the club and for more pressing commitments. They are not to be seen as exclusive use for that section, and therefore the use of the funds must be budgeted.

The future funds balance includes other operational surpluses set aside by the BoM.

The Association has set aside the following cash to be spent on the following activities of the Association:

**STATEMENT BY MEMBERS OF THE COMMITTEE**

**FOR THE YEAR ENDED 30 APRIL 2017**

The committee has determined that the association is not a reporting entity and that this special purpose financial report is appropriate to meet the requirements of the Australian Charities and Not-for-Profits Commission Act 2012, Associations Incorporations Act 2015 and is appropriate to meet the needs of the members.

In the opinion of the Committee, the Statement of Profit & Loss and Other Comprehensive Income and the Statement of Financial Position:

- Presents fairly the financial position of the Secret Harbour Surf Life Saving Club Inc as at 30 April 2017 and its performance for the year then ended; and
- At the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the Committee by:

Dear Cyrus

**SECRET HARBOUR SURF LIFE SAVING CLUB INC  
AUDIT FOR THE PERIOD ENDED 30 APRIL 2017  
REPRESENTATION LETTER**

This representation letter is provided in connection with your audit of the financial report of Secret Harbour Surf Life Saving Club (Club) for the year ended 30 April 2017 for the purpose of expressing an opinion as to whether the financial report gives a true and fair view in accordance with the Australian Accounting Standards (to the extent identified in Note 1 to the financial report), the *Associations Incorporation Act (WA) 2015*, the *Australian Charities and Not-for-Profits Act 2012* and other relevant statutory requirements.

We confirm that (to the best of our knowledge and belief, having made such enquiries as we considered necessary for the purpose of appropriately informing ourselves):

**Financial Report**

- We have fulfilled our responsibilities, as set out in the terms of the audit engagement dated 28 April 2017, for the preparation of the financial report in accordance with Australian Accounting Standards, the *Associations Incorporation Act (WA) 2015* and the *Australian Charities and Not-for-Profits Act 2012*; in particular the financial report gives a true and fair view in accordance therewith.
- Significant assumptions used by us in making accounting estimates are reasonable.
- Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of Australian Accounting Standards, to the extent applicable to the Club.
- All events subsequent to the date of the financial report and for which Australian Accounting Standards require adjustment or disclosure have been adjusted or disclosed.
- We have assessed the reporting requirements of the Club and can confirm that special purpose financial statements have been prepared on the basis that the Club is a non reporting entity and there are no users dependent on general purpose financial statements.

**Information Provided**

- We have provided you with:

- Access to all information of which we are aware that is relevant to the preparation of the financial report such as records, documentation and other matters;
- Additional information that you have requested from us for the purpose of the audit; and
- Unrestricted access to persons within the Club from who you determined it necessary to obtain audit evidence.
- All transactions have been recorded in the accounting records and are reflected in the financial report.
- We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
- We have disclosed to you all information in relation to fraud or suspected fraud that we are aware of and that affects the entity and involves:
  - Management;
  - Employees who have significant roles in internal control; or
  - Others where the fraud could have a material effect on the financial report.
- We have disclosed to you all information in relation to allegations of fraud, or suspected fraud, affecting the entity's financial report communicated by employees, former employees, regulators or others.
- We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing the financial report.
- We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial report; and accounting for and disclosed in accordance with the applicable financial reporting framework.
- We have disclosed to you the identity of the Club's related parties and all the related party relationships and transactions of which we are aware.
- In respect of other information:
  - We have informed you of all the documents that we expect to issue that may comprise other information.
  - The financial report and any other information obtained by you prior to the date of your auditor's report is consistent with one another, and the other information does not contain any material misstatements.
- We have provided you with all requested information, explanations and assistance of the purposes of the audit.
- We have provided you with all information required by the *Associations Incorporation Act (WA) 2015* and the *Australian Charities and Not-for-profits Commissions Act 2012* where applicable.

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE SECRET HARBOUR SURF LIFE SAVING CLUB INC

### Report on the Audit of the Financial Report

#### *Qualified Opinion*

We have audited the financial report of Secret Harbour Surf Life Saving Club (the Club), which comprises the statement of financial position as at 30 April 2017, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the statement by the Members of the Committee.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the accompanying financial report presents fairly, in all material respects, the financial position of the Club as at 30 April 2017, and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards, to the extent described in Note 1, the Associations Incorporation Act 2015 and Division 60 of the Australian Charities and Not-for-Profit Commission Act 2012.

#### *Basis for Qualified Opinion*

Cash revenue generated from canteen and fundraising is a significant source of fundraising revenue for the Club. The Club has determined that it is impracticable to establish adequate internal controls over the collection of cash revenues prior to entry into its financial records. Accordingly, as the evidence available to us regarding fundraising revenue from these sources was limited, our audit procedures with respect to cash revenue generated from these sources had to be restricted to the amounts recorded in the financial records. We therefore are unable to express an opinion whether revenue recorded by the Association from these sources are complete and accurate.

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Club in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### *Basis of Accounting*

Without further modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Club's financial reporting responsibilities under the Associations Incorporation Act 2015 and the Australian Charities and Not-for-Profits Commission Act 2012. As a result, the financial report may not be suitable for another purpose.

### *Responsibilities of the Committee for the Financial Report*

The Committee of the Club are responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as the Committee determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the Club or to cease operations, or has no realistic alternative but to do so.

### *Auditor's Responsibilities for the Audit of the Financial Report*

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Club's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting in the preparation of the financial report. We also conclude, based on the audit evidence obtained whether a material uncertainty exists related to events and conditions that may cast significant doubt on the Club's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the disclosures in the financial report about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial report. However, future events or conditions may cause the Club to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial report, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicated with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Committee with a statement that we have complied with the relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### AUDITOR'S INDEPENDENCE DECLARATION

In accordance with the requirements of section 60-40 of the Australian Charities and Not-for-profits Commission Act 2012, as lead auditor for the audit of Secret Harbour Surf Life Saving Club Inc. for the year ended 30 April 2017, I declare that, to the best of my knowledge and belief, there have been no contraventions of any applicable code of professional conduct in relation to the audit.

## SPONSORSHIP & GRANTS REPORT

**T**hank you to our much needed sponsors for their support of the club. Without their generous support we would struggle to provide the myriad of programs and services to our members and the wider community. Our sponsors are an integral part of the success of the club and I would encourage all members to consider supporting them and acknowledge their contributions when you interact with them in the community. Many of our sponsors get little in return for their kind donations to the club so I urge all members to give their support.

Without a committee of helpers this year to assist with grants, fundraising and managing our sponsorship relationships it has been challenging to manage this portfolio with my own work commitments. We need all members to assist as we move forward, as these positions on the Board are unsustainable for a few volunteers. There is an added risk to the club of missed opportunities and not strategically managing our existing relationships into the future.

I would like to acknowledge Sarah Hull for her efforts co-ordinating the Shake a Tin fundraising program again this year and the quiz night. Thanks to Carolyn Wilson for her efforts

This year we welcome new partners to our club and thank them for their interest in supporting life-saving in the community.

- Charter Hall – Secret Harbour Shopping Centre – funding equipment
- Goodland Building Company – funding equipment
- IGA Port Kennedy – new club de-fib at the entrance of club

We appreciate the continued support of;

- Rockingham Holden for providing our much needed four wheel drive vehicle
- SAAB Australia for providing funds to support our growing boat section
- Channel 9- for providing financial support of our youth programs
- Baldivis Landscaping Supplies, for their sponsorship of the nipper program
- Alcoa Australia, for their donation to the youth programs
- Woolworths for the support of our nippers program
- Remax Horizons Realty, Lorraine Dove for club youth programs sponsorship
- Good Guys Rockingham for their continued support of the club
- Harken Finance for their support of the members draw
- CSBP for their support to purchase life saving equipment
- GDF Suez, Kwinana Cogeneration Plant donation to purchase of an IRB motor
- Celebration Homes for their support of member of the month
- Paul Papalia for his support of the Crusaders camp
- EC Print, Rockingham for printing our annual report

in continuing to foster our relationship with Rockingham Holden who provide our reliable

- Ocean and Earth - providing lifesaving support.
- Serco for donation for support of first aid equipment
- Bunnings Port Kennedy – providing hoses and equipment for the boat shed
- Restore Carpet & Upholstery Steam Cleaning-maintaining our function room and supporting the March Past Team
- Fitzroy Professional for their support of trophies for the nipper program
- Port Kennedy Pool and Spa – supporting our March Past team
- R & K Wade Plumbing, Drainage and Gas fitting for many in-kind donations to the supply and fitout of the new building
- Hannah Family for the Secret Harbour Gold
- Vermillion Oil for supporting of lifesaving
- Kingsley Smith for his annual donation over many years of support
- Alcoa Employee "Action" Community Engagement Program for supporting cost associated with relocating to the new building
- Latitude 32 - support of the March Past Team

- Team Anzac Canteen Fund – support of the cadet program
- Comet Bay Primary School

4X4 vehicle for patrols. Holden provide such an important resource and are therefore a

very important relationship for the club. Special thanks also goes to Lisa Sertorini for organising and coordinating our BBQ opportunities at Bunnings – Port Kennedy enabling various groups to fundraise this season. Well done to the March Past team for the variety of fundraising events they achieved this season to support their participation in Aussies on the Gold Coast. One of the highlights for the club and the community included their very successful movie night. This was a great fundraiser and community capacity building event for the club and community. Special thanks to Jeff Poad and Greg Thompson for their time to mount our club honour boards in our new club. Hopefully members noticed our new and improved blue honour board in the foyer this year.

In order to thank our sponsors, we hosted a successful

appreciation evening for sponsors and partners during the season taking time to reflect on their outstanding contribution to our great club. Looking forward we hope to build a stronger partnership with Rockingham Rotary, Tyrepower Port Kennedy, Carpet and Upholstery Steam Cleaning and Lenard's Chicken, Secret Harbour. We are pleased to announce that OCE Corporate cleaning will become a major sponsor in the 2017-2018 season. Mr Digby Wilson will be heading up a project to either improve or replace our existing patrol shelter in partnership with Rotary.

We continue to have a strong partnership with the City of Rockingham, who have supported the club through the building and transition to our wonderful new club. In addition, we are pleased to maintain our ongoing partnership with the Goodsports program aimed

at developing and building healthy sporting clubs. We are also pleased to continue our partnership of many years with Mentally Healthy WA "Act Belong Commit" program.

Hosting the Channel 7 Sunrise Morning team on a 'very early' morning provided great exposure for the club in the community and national exposure for our sponsors.

Thank you to all those club members who came down on that early morning to help showcase our club. Many of our club members featured on national television with some even completing work experience with Channel 7 as a result of this event. We hosted International Women's day in partnership with the Rockingham Kwinana Chamber of Commerce (RKCC), showcasing our club with our very own inspirational

## TRAINING & EDUCATION REPORT

The Education team have had a great year and I have completed my first as Director of Education. Firstly I would like to make a special thank you to a great team of trainers and Assessors who supported training throughout the year.

One reason our club is so successful is the ability of our training team. This team is very dedicated to providing good education opportunities to the club members but is also dedicated to expanding their own capabilities.

Most important for us is that we keep getting new trainers to join our ranks. Anyone who thinks they would like to join the training team please let me know. It is a very rewarding experience.

It is also great to see our experienced trainers becoming Assessors. It shows great commitment and community spirit. Assessors are called upon almost every weekend to assist with assessments on anything from SRC through to IRB.

Well-done team and thanks for all the effort.

Trainers: Sarah Hull, Matthew Tonkin, Mark Dove, Jessica Williams, Jo Thodis, Carolyn

Wilson, Craig Graydon, Rick Lowe, and Digby Wilson.

Congratulations to the new trainers: Lorraine Rule, Liam Bates, Amy Beal and Andrew Williams.

Assessors: Garry Williams, Megan Williams, Rick Lowe, Sarah Hull, Carolyn Wilson, Digby Wilson as well as the teams from Mandurah, Coogee and Port Bouvard for their great assistance.

Proof of how well everyone worked and how good our new and existing members are, is that we completed over 102 new awards this Season.

I also have it on good authority that our New Bronze and SRC members are loving their patrols and already contributing strongly to the club.

This year Jessica Williams successfully completed her Gold Medallion. This award shows a very high dedication to fitness, rescue skills and First Aid knowledge. Gold Medallion Proficiencies Allanah Wilson, Peter Traeger and Lee McGovern well done, great achievement.

This year 32 members achieved their Bronze

women in leadership, Carolyn Wilson and Brooke Poad being guest speakers at this event.

Thank you to local councillor Mr. Chris Elliot for assisting the club to seek approval for a Food Truck in order to provide meals for members on a Friday night. This has provided an additional service for members and the community prior to the café being established.

The club app was introduced this year to assist with communication and to phase out the reliance of Facebook in our communication. With close to 500 members using the app there are still a large number of members who are unaware this is now one of our major communication tools. We hope that more members will continue to source information on club activities through the app. Behind the scenes we have been working on the task of upgrading our web page which will be compatible on

all devices. I would like to acknowledge the efforts of our administrator, Mrs Sharon Phillips who has quietly been working with a consultant to change over to a more user friendly version ready for the start of the 2017-2018 season.

The club survey was a unique opportunity for members to have their say. Over 100 members did provide valuable information to assist the Board address priorities in our Strategic Plan. We hope that members will engage positively in finding solutions to some rather challenging problems for the Board.

I conclude the 2016-2017 season on the Board of Management, knowing I have provided significant volunteer hours to an organisation I believe plays such an important role in our community - keeping our beach safe. I urge all members to see where they can 'value add' positively to the club and be a little less critical of those who

are doing their best with limited time and resources. I would like to acknowledge the support of my family for allowing so much of my time to be invested in the club. I would like to congratulate all Board members and admin staff for their dedicated service and to those members who have provided much needed support for the club. We have so many dedicated and supportive members who do an amazing job.

In conclusion, as we are a not for profit, volunteer organisation we rely on grants, sponsors, donations and fundraising to maintain and expand our valuable lifesaving, youth, education and surf sport programs. So again, I would like to thank each and every sponsor, partner, supporter and the community for their wonderful and continued support of our surf club.

Matt Osborne  
Director of Sponsorship & Grants

Medallion. We ran 2 Bronze groups, led by the following trainers: First Group led by Megan and Garry Williams, Jessica Williams, Lorraine Rule with First Aid by Jo Thodis.

Second group led by Sarah Hull, Lorraine Rule, Matthew Tonkin and Mark Dove.

A special mention to Izak Geddes who helped on these two courses and is looking forward to becoming a trainer. These 2 groups consisted of new members and some that were upgrading from SRC to Bronze. Both these groups showed how much they had learned over the course of the training by flying through the assessments. It's also fantastic to note we requalified some 125 Bronze Medallion Members during the 2016\2017 Season.

Julie and Steve Butler, Mark Turley, Sarah Hull and Mark Dove took the U13s through their Surf Rescue Certificate.

This group numbered over 23 of our best young members made up primarily of the U13s plus a few new parent members. All that said, it was a great bunch to work with and the teamwork and friendships that shone through justified our desire to keep the U14s together as one group. An SRC Sleepover at the new club facilities also followed this. This was a fantastic night spent with these young life savers, who are so enthusiastic. A special thank you to Stephanie Lowe, Jacob McIvor who assisted in the training aspects of this course. If I have not acknowledged you, you know who you are and thank you. We also conducted 26 SRC Proficiencies.

Although only 7 members participated in ARTC this year, they did a truly great job. The ARTC course and assessment can be a challenge if you are not on your game. Thank you to Carolyn Wilson and Jo Thodis who assisted in the running of

the course. ARTC is an area where we need to continue to increase the number of patrolling members with this qualification. It is a great course to do and brings a much deeper understanding of the rescue components of our beach activities. It is pleasing to note we have 60 ARTC Proficient Members for the 2016\2017 Season.

First Aid continues to be one of our best higher-level award courses with 58 members either attaining or renewing their qualifications. Carolyn Wilson and Jo Thodis have done an excellent job getting everyone through the training. Over winter we will be running additional courses to get more people qualified or updated before the start of the new season.

A thank you to Carolyn Wilson for qualifying another 4 members. Proficiencies conducted was a total of 4 members.

Thank you to Garry Williams for taking the time to put the SRC's through their Radio Operators certificate, by doing this the SRC's feel they provide a greater opportunity to be involved. 13 achieved this certificate.

A bumper year for new IRB Crew this year. 8 new crew members are now out on the water helping with the key activities of patrolling the beach from the water side. A big thanks to Garry Williams, Jessica Williams, Craig Graydon, Rick Lowe, Rohan Pugh and Andrew Williams for their efforts this year. And a very big thanks to Mark Turley for his tireless efforts in keeping the boats and engines running well. We conducted 66 IRB Crew Skill Maintenance - what a huge achievement. We look forward to converting these guys and girls to drivers in the future.

Even more important than getting new IRB Crew is

getting a good conversion to Driver. To achieve 3 new drivers in the season really helps to take the load off the existing drivers and gives more options on patrol rosters. This is a technical course over a long period but highly rewarding. Well done to both the new drivers and the trainers for the effort to achieve these results. Liam Bates, Christopher Howarth and Bryce Pugh. 24 IRB Driver Proficiencies were conducted.

The club now has an additional 6 Tier 2 Rescue Water Operator. Rohan Pugh, Bryce Pugh, Mark Turley, Craig Graydon, Jessica Williams and Andrew Williams. Thank you to Garry Williams, Daniel Andrews and Stephen Herron from Port Bouvard with some guest appearances from our very own Joe Ford.

With the Spinal Course still under review, we didn't offer any course this year but re-qualified some 46 members

Thanks to everyone for putting up with some early teething issues. In the end I think we managed to streamline the process and get everyone through the Skills Maintenance days relatively painlessly. With the hundreds of members we now need progress through their skills maintenance every year. We will therefore, run some earlier proficiency days next year, so signup early. We will also be looking to increase the number of patrolling members who have more than the basic awards. This will include putting together a Gold Medallion and Silver Medallion Beach Management groups if we have enough interest.

I look forward to seeing you on the beach and around the club over winter and the course of next season; indulging in some further training.

Megan Williams  
Director Education

## YOUTH REPORT

I would like to start by acknowledging and thanking the many people who give their time and energy to the Nippers and Cadet Program at Secret Harbour Surf Life Saving Club. The season has been very busy but full of fun and opportunities for children and young adults to develop in many ways.

There are also many behind the scenes helpers who attend each week and do jobs like rake the beach, set up arena's, make board racks, order and prepare food, fund raise, water safety the list goes on and on. Huge thank you to the wonderful team of dedicated Age Managers you make such a wonderful influence on the Nippers

experiences down the beach. Congratulations to all those under 14 cadets who completed their Surf Rescue Certificate and have gone on to patrol and provide water safety at nippers and so many other events. I hope you enjoyed your first cadet camp, which has always been such an excellent and energetic experience

coordinated by our amazing Cadet Team, led by Garry Williams, thank you so much Garry. Thank you to our outgoing club Captains, Brea Bird and Chris Howarth for all the time you have committed to helping at the club, it is much appreciated. Welcome and congratulations to our incoming club captains

Brooke Poad and Michael Hall, both very worthy recipients of this title and have already proven themselves by the events and activities they readily stepped up and helped at. Thank you to Grant Stirling who has been our water safety coordinator again this season and is now taking a well earned break.

To all the Nippers and Cadets who have competed and challenged themselves at events over the season, you are amazing young people, surf sports can be very challenging and we all admire your dedication to training and competing, well done. All this is wonderfully supported by coaches and parents who assist

the competitors in so many ways so well done to the team in total.

To our weekly business of nippers where we offer the children a wide range of beach, surf, first aid, personal and community safety learning opportunities sometimes seems to be a little forgotten for its significance, this is the training ground for our future surf life savers and if it prevents one injury or worse, it has done its job in keeping our families safe and thriving.

I really hope you all enjoyed the season, it is wonderful to watch all the nippers in action on Sunday morning and to be inspired by their energy. Enjoy the winter season and hope to see you all down the beach in October!

Rebecca Hughes  
Director of Youth

# SURF SPORTS REPORT

**W**ell we have had another busy season in surf sports at Secret Harbour.

We had our father and son team Steve and Joe Ford make the trip to compete at Aussies held at North Kirra QLD for their 10th year together. As an individual Steve has been competing for

approximately 25 years at this prestigious event. We also had our first female March Past team make the trip over to compete, winning the encouragement award at Burleigh Heads prior to Aussies. These girls only got together at the end of last season and trained and fundraised tirelessly to achieve this dream.

Congratulations to you all for all your hard work and dedication. Thank you to Officials – Digby and Carolyn Wilson, Megan Williams in IRB and young Jessica Williams who was the first female jet ski driver to provide support at Aussies – what a huge achievement Jess, congratulations and a claim to fame for our club.

Surf Sports would not run without my dedicated team of volunteers of coaches, age managers, officials, water safety and helpful parents.

Our awesome team consisted of:

**Brendan Privilege – Seniors/ Masters**  
**Robyn Bevan – March Past**  
**Carolyn Wilson – Pool Rescue**  
**Nicola Awang**  
**Mark Muir**  
**John Turner**  
**Mick Wyburd**  
**Brooke Poad**  
**Jeff Poad,**  
**Tahlia Wyburd – Juniors**  
**Rohan Pugh – Boat Captain**  
**Joe Ford – Ski Captain**  
**Mark Thomas – Board Captain**  
**Garry Williams – Fitness**  
**Swim Captain – Stingrays**

Our young Juniors excelled once again in Countries and the Junior State Championships. Everyone competed well but our stand outs were, Hannah Awang, Luke Awang, Rubie Turner, Jessica Noorman, Taj Wyburd, Tiarne Wyburd, Abbey Poad Ollie Brehaut, Issy Brehaut and Romy Dullaghan who all medalled at Junior States.

U/13 Sophie Turner and U/15 Jacob McIvor were awarded the Junior Club Achiever award

for Secret Harbour this year, for their outstanding contribution within the Club for this season.

The Club swim was another favourite amongst members again this season. It is so great to see senior members from all aspects of the club coming together Sunday mornings to hit out that swim – definitely one of my most enjoyable aspects of surf sports.

Secret Harbour hosted for the 7th year in a row the SLSWA State Surfing long board competition in May with Bryce Pugh winning Silver in the Open Male. We also hosted the SLSWA State Surfing Short Board competition in July, with Ben Bird taking out Silver in the U/19 male division. Congratulations boys.

Our Secret Harbour Gold was held in December and proudly supported once again by the Hannah Family – previously Frogmat. Numbers are growing in individual competitors, which is promising. I am currently liaising with SLSWA to try and incorporate it into the Surf calendar, so competitors can compete from other clubs.

Our females excelled with Master States this season, with Lorry Rule, Ingrid Ostle, Anne-

Marie Dullaghan and Julee Butler all medalling and doing the club proud by getting out there and having a crack.

Our focus for 2017/18 season is retention and trying to rebuild the surf sports culture within our senior competitors. We are hoping to retain our competitors so they don't have to transfer to be able to compete, because of our low numbers within the U/15 – open age group.

We have good numbers for U/13s who are going up to U/14s and the U/15 age group, hopefully we can encourage a few of the older club members to have a go at competing in the intra and inter club comps.

After 4 years as director of Surf Sports I am stepping down this year and I would like to thank everyone that has supported me with my journey. I am very passionate about our club and have enjoyed every aspect of being a board member for 7 plus years. I hope I have made a few positive changes/ contributions to surf sports and the youth within our club.

See you at the beach

Deb Bird  
Director of Surf Sports and Competition

## BOATIES REPORT

**S**ecret Harbour SLSC held 2 Boat carnivals this season, both were very successful with small surf but the competitors loved the after drinks on the top floor and are still commenting. Secret Harbour had two teams through the season 1 Female (Secret Squirrels) and 1 Male (Secret Weapons). Squirrels swept by Ross Onions and the usual oldies Weapons swept by Rohan Pugh.

Secret Harbour competed in the Masters and Country Carnival at Mullaloo Beach and were successful winning Gold in the Open Men's and Bronze in the 180 Men's.

The boat section has depleted and this was evident during the 16/17 season. A strategic approach to the 17/18 season will be to focus on recruiting young enthusiastic life savers, concentrating on the age group

19 to 30 years. We already have a group of young guys training through the winter ready to compete in the new season swept by Brendan Privilege. The Aussies will be held in Perth at Scarborough Beach next year and we will ensure that Secret Harbour SLSC competes in all levels.

Rohan Pugh  
Surf Boat Captain
