 **OUR VISION**

To be the focal point of surf lifesaving activities within the City of Rockingham, providing beach patrol services to Secret Harbour Beach and to other swimming beaches within the City as determined by resources and qualified members.

 **OUR MISSION**

We exist to provide surf lifesaving patrol services to Secret Harbour Beach, and to other swimming beaches within the City of Rockingham as determined by the availability of resources and qualified members.

To achieve this mission we must:

-  Maintain high standards of education and vigilance.
-  Continue our proud record of no lives lost during surf lifesaving patrols.

-  Be highly regarded by the local community as a volunteer service provider.
-  Foster and promote the ideals of healthy lifestyle to our members and the local community.

## PRESIDENT'S REPORT

What an interesting season we have had. It started out with so much promise and then abruptly ended, which was very anticlimactic! I would like to start by thanking the Board. It has been a challenging period for the Board with some difficult discussion and decisions having to be made. Their support during this time has been appreciated and I look forward to continuing to work with those that are staying and welcoming new members to the Board.

I would also like to thank all of our sponsors who continue to support us and our newest sponsor, Rockingham Toyota, for the fantastic vehicle you have provided the Club to help keep our beach safe. I receive nothing but positive comments regarding the vehicle. Without our sponsors support the Club would be unable to provide the assistance to various internal areas of the Club. I think everyone would agree that the support we get from Channel 9, Woodside, Alcoa, Charter Hall etc to name a few, is fantastic and very much appreciated.

We continue to work with the City of Rockingham regarding the possibility of gaining access to some of the external areas of the club to install signage to further highlight to the general public who our generous sponsors are.

One of the great additions to beach safety this season is the Patrol Tower. What a great tool to assist and improve the ability of our Patrols to observe the water. This is a fantastic and very comfortable facility. The support from the City of Rockingham, LotteryWest, SLSWA and Paul Papalia to get this tower on our beach was awesome and very much appreciated. I feel we have not been able to appreciate the full benefit this tower can provide Patrols yet. To assist with this we are looking at moving the tower to the North end of the beach access track, which will place it in an area that is often the safest part of the beach for swimmers. The tower also affords us the opportunity to explore

using it as a base location for patrols, which may free up resources and assist the Patrol to be very agile, which is not a bad thing when we are dealing with such a dynamic environment.

The café space continues to be a challenge to lease. Nalu has been the closest the Club has ever gotten to get a Business into the café. Having Nalu work out of the Club Kitchen worked well and it was great to observe what is required for a business to work out of this area and be profitable. However it has also been of great benefit to be able to discuss and understand the issues and risks a café faces should they take on the café space. Unfortunately, the risks were too great for Nalu and due to changes with personnel at their Mataya business, they were unable to continue with operating out of the Club Kitchen until the end of the season.

I believe that the Club now has had enough history regarding trying to lease out the café space that we are very close to having to completely rethink what we want to do with it. I understand that there is a desire by some Club members, the City of Rockingham and the general public that we have café in the "cafe space", however the possibility of this dream materialising has been very different to the reality. The Board are going to have to work on strategies, in consultation with the membership, regarding alternative options to the current business model for this space and then take this to the City of Rockingham.

Once again our core Business of keeping the public safe has been very successful. It is awesome that we have such a great team of dedicated trainers under Mark Dove and patrol members to be able to fulfil our obligations and face challenges presented to us. Once again our patrols acted professionally and highly competently when called upon to assist people in need. Some of these times were in trying conditions. It always makes me proud to be on the beach and see our Patrols in action. The Clubs support, with assistance from Port Bouvard and Mandurah SLSC's for abalone Patrols was also impressive. I had the privilege of being on the water at both Point Peron and Garden Island for abalone patrols and it was inspiring seeing the resources on the water and our dedicated volunteers on the land. The Club also supported abalone patrols North of the river and several Search and Rescue Operations along WA's coastline. Thank you and well done to everyone who was a Patrol Captain, donned a patrol cap, orange water safety cap or yellow rashie this season, you did yourselves and the Club proud.

Our Woodside Nippers was a success again and I would like to thank Bec Hughes and all of the age group managers, water safety coordinators and Nipper Rescue Certificate holders for the great work you have done. With Woodside coming on board as a State sponsor of Nippers, this also brought some changes to how Nippers has been run previously which produced some teething issues to start with.

We were looking like being very well represented at the Nipper State Championships and it was disappointing that this event did not go ahead, I think our result would have been impressive.

Our other competitors were also in the process of tapering for the States and were looking like they were going to achieve some great results. I would like to thank Sam and all of the coaches for your time and commitment this season. With the Aussies only 1 more season away before being back in the West, next season will be a great build one for the Club so that we can go hard for the 2022 Aussies. Surf sports remains a huge growth potential area for the Club and one that we need to explore more.

The Club finances are still in very good shape, however COVID-19 has affected our revenue in a negative manner with the loss of income from Fine Tune Fitness, the cancellation of several functions that had booked in and Friday and Sunday bar takings ceasing. We are also looking into the Government assistance that is available to businesses like ours.

Unfortunately, we did commit to expenses such as replacing the ATV, finishing off the boat shed etc. prior to COVID-19 so these commitments were required to be fulfilled which reduced our cash reserves.

Areas that remain a focus for improvement includes the Board structure. The Board have developed a framework and we now need a committee to put the meat on the bones of this framework. We will put forward to vote on this new structure at the AGM. Another area for improvement is communications. We still are not providing a consistent platform to be able to communicate to all of our members, as such the board are looking at what is the best platform that will allow us to communicate to all members. We have also found that there is not a great deal of control of communication mediums that bare the SHSLSC name. So these will need to be tidied up so that our members and the public are confident that communication that bares the SHSLSC name is official Club comms. Our culture remains an area for improvement. We still don't have a

distinct SHSLSC culture. The Board will continue to put the framework in place that helps define our culture and the positive and negative behaviours that are and are not acceptable.

Finally, there are many people like Mark Thomas, Jeff Poad, Ron and Kim Wade, Lisa Sertorini and her BBQ ladies, Sam Lowe, Garry and Megan Williams, Iain Noorman and others who are unsung heroes and have helped out but I have not named. Thank you to all of you. Without your support, the Club would not function as well as it does. I would also like to thank Trish and Jacqui. Your support to the Board and assistance with helping make the Club administration run smoothly is greatly appreciated. I am hopeful that by the time this report is available to the membership that some of the COVID-19 restrictions are beginning to lift and we can at least begin training activities again and that next season will be looking like going back to normal.

## — CLUB CAPTAIN'S REPORT

The 2019/20 season has been a busy one for us at Secret Harbour Surf Life Saving Club. The start of the season showed promise, with a large volume of new members signing up. It was fantastic to see so many new and old faces around the club. The massive smiles of the Woodside Nippers running down the path to the sand on the first day of summer is why we do what we do. A thirst for knowledge and a love for the surf is what helps build the enthusiasm amongst our younger members to one day don the red and yellow uniform and patrol our beautiful Aussie coastline. Our presence at carnivals across all levels of competition did not go unnoticed, especially at the Smiths Beach Country Carnival where each and every competitor, parent, age manager, spectator and volunteer wore their club colours proudly. I would like to personally thank our trainers, assessors, coaches, age managers, parents, patrol captains and committee members for willingly dedicating your precious time throughout the summer and winter months; your efforts are what keep our community going.

We held two surf carnivals at our beach in December. We received nothing but the highest of praise as a club for the organisation, participation and hard work that went into both of those fantastic weekends. Our members set up the beach arenas, the water arenas, first aid areas, clubhouse, sausage sizzle, live music on the sundeck and four wheel drives to help transport the significant amount of gear and equipment from one place to the next.

They also volunteered to Officiate and fill both water safety and first aid requirements. Another service we conduct as a club are Abalone Patrols. These occur on the second Saturday of the three summer months each year, taking place at Penguin Island and Point Peron. We cover these locations both on foot and by Jetski. Two of these operations this season included the opportunity for some rock rescue training with the Rescue Water Craft in vicinity of Penguin Island's offshore reef.

The volunteers who helped clean and reorganise the boat shed this season did a wonderful job and after speaking to quite a few people, I know that the good work done by members of our community has not gone unnoticed. The same goes for those that volunteer on Sundays to do the BBQs, bar shifts and water safety; you guys help keep us a well oiled machine.

To the members who achieved awards this year, congratulations! Receiving an SLSWA award is always something to be celebrated. In achieving these, recipients demonstrate dedication to their community development as well as their own. Our season saw a substantial number of people completing their Bronze, SRC and NRC Certificates, First Aid awards, IRB Crew and Drivers' Certificates, and a few RWC Operators and Trainers received their qualifications too.

Unfortunately, the COVID-19 pandemic caused us to cut short what was shaping

up to be one of our best seasons yet. Even though the season wrapped up earlier than planned and activities were shut down, we as a Board are so thankful and proud of the incredible commitment of our members for continuing patrols and conducting them in a very professional manner. Jetski Operators from Secret Harbour SLSC also conducted roving patrols at beaches along the metropolitan coastline over the Easter long weekend to assist the Lifeguard services in handling the sheer volume of beach users that were in attendance. The Lifeguards that I have spoken to have complimented us on our impeccable skills and utmost professionalism in our operations. Once the global outbreak takes a positive turn and restrictions in both WA and the whole country are lifted, I look forward to seeing you all again in the summer. Until then, stay safe and I'll see you all in the 2020/21 season!

**1057**  
PREVENTATIVE ACTIONS

MEMBERS COMPLETING OVER 24  
HOURS ON PATROL

This year has been another successful year on the beach for the lifesaving patrols. This season has seen 49,643 people recorded visiting Secret Harbour beach on the days we patrolled. We performed 147 rescues and conducted 91 first aids, with 1057 preventative actions recorded.

Our core patrol remained at Secret Harbour beach, with roving patrols undertaken up to the dog beach and down to Golden Bay and Singleton.

We started our patrols a little later this year, in mid-October and had intended to patrol weekends and public holidays through to the Easter long weekend, unfortunately due to the COVID-19 pandemic, our patrolling season was cut short by a couple of weeks. As the season was cut short, some members were not able to complete their last make up or substitute patrol so in the assessment of patrol compliance for the season allowance has been made members

for members to be down one patrol for season to still be considered patrol compliant for the purposes of long service, patrolling members discounts and gym membership.

This season we tried a new method of rostering patrols. Instead of members nominating for one patrol team, they were asked to submit preferences for three teams. Members were then allocated to one of their preferences looking holistically at the requirements to fill the patrol roster, with most being able to be placed in their first preference. While not perfect, this resulted in a better balance of numbers and skills between the patrol teams.

Some patrol teams still proved hard to fill, especially those with patrols on long weekends or key carnival days.

Sixteen percent of our members indicating that they would patrol this season asked to be put on the supplementary list. The supplementary list is for those whose circumstances (generally their employment) preclude them from patrolling with a regular patrol team. While it is always great to see them patrolling down at the beach having a significant percentage of our members unable to commit to a regular rostered patrol makes it a challenge to put together the patrol roster to fulfil our patrolling

commitments. We need to continually look at how we put together our rosters to ensure that we provide maximum opportunities for members to patrol and that we are utilising them when they are on patrol.

On Sunday the 8th of March this year we celebrated International Women's Day and 40 years of women in Surf Lifesaving with an all female patrol team.

Particularly busy days for rescues this season were 27 Oct (Patrol 3), 10 Nov (Patrol 7), 15 Dec (Patrol 7) and Christmas Day, with Christmas Day having the vast majority of rescues recorded for the season.

This year the abalone season was again held over four hours on Saturday mornings. The club provided water safety coverage at Penguin Island and Point Peron during

the abalone season (with assistance from Mandurah, Port Bouvard). Thanks to Gary Williams for coordinating the Abalone patrols this season.

The club also provided water safety services to a number of community groups including: Rockingham Open Water Swim Rockingham Youth Beach Party

Overall patrol hours logged for the year were 3921 with an additional 551 hours logged for water safety. This is a great effort by the club, and is a significant volunteer contribution to the community.

The season would not be successful without the work of the lifesaving committee and the Patrol Captains and Vice Captains. These people have worked hard to make sure that patrols are filled, vehicles are fuelled, IRBs and jetskis

are maintained, radios work, and first aid gear is ready.

So thank you to the following people: Lifesaving Committee: Samantha Lowe (Patrol Officer), Mark Turley (IRB Officer), Stu Reeves (Radio Officer), Jeff Poad (Vehicle Officer), Greg Stroot (Gear Officer), Jo Thodis and Lorry Rule (1st Aid Officers), and Gary Williams (Jet Ski Officer).

Patrol Captains: Tim Wilson, Alexis Grayson, Grant Stirling, Izak Geddes, Amily Pugh, Stuart Reeves, Breanna Bird, Iain Lund, Peter Tragaer, and Rowan Pugh.

Vice Captains: Laura Adolphus, Boban Sarich, John Turner, Samantha Lowe, Alannah Maurice.

SECRET HARBOUR SURF LIFE SAVING CLUB INC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2020

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The Committee have prepared the financial statements on the basis that the Secret Harbour Surf Life Saving Club Inc. is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the financial reporting requirements of the members.

The financial report covers Secret Harbour Surf Life Saving Club Inc. as an individual entity. Secret Harbour Surf Life Saving Club Inc. is an association incorporated in Western Australia under the Associations Incorporation Act 2015. The financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB'), as appropriate for not-for-profit oriented entities under the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporations Act 2015.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

*Basis of Preparation*

The financial statements have been prepared on an accruals basis and are based on historical costs. The accounting policies set out below have been consistently applied to all years presented unless otherwise stated.

**Accounting Policies**

- (a) **Income Tax**  
The Association has obtained tax-exempt status under current Australian Taxation legislation.
- (b) **Inventories**  
Inventories are measured at the lower of cost and net realisable value. Cost is determined by the purchase price of the inventories.
- (c) **Property, Plant and Equipment**  
Each class of property, plant and equipment is carried at cost less accumulated depreciation and impairment losses (if any).

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

SECRET HARBOUR SURF LIFE SAVING CLUB INC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2020

NOTE 1: STATEMENT OF ACCOUNTING POLICIES (CONT'D)

(c) **Property, Plant and Equipment (CONT'D)**

**Depreciation**

The depreciable amount of motor vehicles and other assets is depreciated on a reducing balance basis.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
First aid room equipment	10% to 20%
Merchandise and Office equipment	10% to 100%
Rescue, Training and Comp equipment	10% to 100%
Social hall, bar and canteen	10% to 100%
Building	10% to 100%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

- (d) **Cash and Cash Equivalents**  
Cash and cash equivalents include cash on hand and cash at banks.

- (e) **Revenue**  
Revenue from donations and Interest revenue are recognised upon receipt of the funds.

Grants received for recurrent expenditures and member's subscriptions are recorded as income in the year in which they are earned.

Revenue from sale of goods (trading income) is recognised when the control of goods is passed to members/customers.

All revenue is stated net of the amount of goods and services tax (GST).

During and post the financial year end, businesses and individuals have been adversely impacted by the Worldwide COVID-19 virus. The ability to earn income in the future for Club may also be adversely affected. The impact of any Government imposed measures to counter the virus's spread have, on the whole, materially impacted the current and future viability of the Club. However, due to the rapid and ongoing changes, an estimate of the extent of this decline cannot be determined at this time.

**STATEMENT BY MEMBERS OF THE COMMITTEE**

**FOR THE YEAR ENDED 30 APRIL 2020**

The committee has determined that the association is not a reporting entity and that this special purpose financial report is appropriate to meet the requirements of the Australian Charities and Not-for-Profits Commission Act 2012, Associations Incorporations Act 2015 and is appropriate to meet the needs of the members.

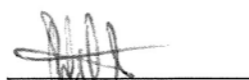

In the opinion of the Committee, the Statement of Profit & Loss and Other Comprehensive Income and the Statement of Financial Position:

- Presents fairly the financial position of the Secret Harbour Surf Life Saving Club Inc as at 30 April 2020 and its performance for the year then ended; and
- At the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the Committee by:

President

Vice President

Dated this 23 day of July

2020

**AUDITORS' REPORT**

**TO THE MEMBERS OF**

**SECRET HARBOUR SURF LIFE SAVING CLUB INC**

**Opinion**

We have audited the accompanying financial report of Secret Harbour Surf Life Saving Club Inc (the Organisation) which comprises the statement of financial position as at 30 April 2020, statement of comprehensive income, notes to and forming part of the accounts and statement by the committee of management.

In our opinion, the financial report of Secret Harbour Surf Life Saving Club Inc, presents fairly, in all material respects the financial position as at 30 April 2020, and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and in accordance with the provisions of the Constitution.

**Basis of opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Secret Harbour Surf Life Saving Club Inc in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of matter**

As is common for organisations of this type, it is not practicable to maintain an effective control over income and expenses prior to their initial entry into the accounting records, and therefore, no opinion is expressed on the accuracy of these amounts. However, all amounts recorded as deposits and payments have been properly reflected in the financial report. Accordingly, our audit procedures were limited to the amounts recorded in the books of accounts. We have not verified the existence or value of the fixed assets and the closing stock figures as shown on the balance sheet but have relied upon information provided to us by the finance officer. Our opinion is unmodified in respect of this matter.

We draw your attention to the Subsequent Events note in the financial statements which relates to uncertainty on the Organisation's ability to continue as a going concern due to the outbreak of the COVID-19 virus. Our opinion is unmodified in respect of this matter

**Responsibilities of management and those charged with governance for the financial report**

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

## Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: <http://www.auasb.gov.au/Home.aspx>. This description forms part of our auditor's report.

## SPONSORSHIP, GRANTS & MARKETING REPORT

A sincere thank you to all our sponsors, partners and to those individuals who have donated to our club. Without your generous support, our club simply cannot run the multitude of programs we offer to members, consistently keep the public safe on our beaches or function efficiently as a club. From everyone at Secret Harbour SLSC we extend a huge thank you to you all.

We thank the following sponsors for their support over the 2019/2020 season:

- **Rockingham Toyota**  
For our new Rescue Vehicle
- **Channel 9**  
For providing support of our Youth Programs
- **Alcoa**  
For their renewed support of our Nipper Program, Crusaders Program and Starfish Nipper Program

#### City of Rockingham

Secret Harbour SLSC is proud to be supported by Rockingham Toyota for the next three seasons. Their kind donation of a new Rescue Ute is a huge benefit to our lifesaving sector

and we are tremendously grateful and honoured they chose Secret Harbour SLSC to partner with. We look forward to even greater things to come over the next three years.

Our partnership with Channel 9 continues to go from strength to strength and is a partnership I have thoroughly enjoyed developing. They are huge supporters of Secret Harbour SLSC & Surf Lifesaving in general. The financial support they provide us with is received with boundless gratitude. This season they helped us celebrate International Women's day. A day, which we also used to mark 40 years of women being officially involved in all active Surf Lifesaving duties. We celebrated this occasion with a history making all female patrol: a scene, which would have been inconceivable even 20 years ago – a very proud moment. The Channel 9 live broadcast is always highly anticipated, and this season was no different. We welcomed Scherri - Lee Biggs back to SHSLSC to present us with their contribution for the season - thank you to all those that attended.

We were the lucky recipients of a grant through the Stronger Communities program co-ordinated via Madeline King, Federal Member for Brand. This grant provided us with 50% of the funds to purchase a new IRB motor to support our essential lifesaving capabilities and our ever-growing IRB racing cohort. The City of Rockingham, as always, has been supportive of our club and the services we provide to the community. We are pleased to continue our relationship with the Good Sports program. Taking care of our mental health has become even more important during the global pandemic, so we are pleased our partnership with Act, Belong, Commit (Mentally Healthy WA) has been renewed.

The continued support from Alcoa has proven to be hugely valuable this season with their funding being put to good use in three intrinsic youth areas our club: Crusaders, Surf Sports and Starfish Nippers. Starfish Nippers is a program we can all be proud of. Inclusivity and diversity targets are something we should

all be consciously working towards and these will be achieved not only in how we operate as a club but also in how we treat each other as individuals.

Charter Hall extended their support of Secret Harbour SLSC by partnering with us for the 2019-2020 season. With their support, we developed a program of first aid and surf safety workshops aimed at educating the local community on essential life saving knowledge. A huge thank you to Carolyn Wilson for organising and delivering this program.

Stuart Reeves has once again been a hugely valuable and dedicated club member in so many ways. Applying for numerous grants for the club including successfully securing a grant for a new ATV. Stuart also donated funding to the club to enable us to provide all active SLS patrolling members with a rash vest free of charge, to ensure all our members are sun smart and easily identifiable in the surf.

The Secret Harbour Gold was a great success this year with a record breaking 52 participants. Thank you to Channel 9, Altitude Training WA, Distinctive Limestone, Adapt a Lift group, Charter Hall and Alcoa for supporting this annual surf sports event. Thank you to the Hannah Family for supporting this event over the preceding years.

We've taken part in two external initiatives that have promoted personal safety concepts whilst also being financially beneficial to the club. We partnered with Evoke media to deliver the BeachAd Campaign promoting DIPRD Seasense on behalf of the West Australian Government. We also proudly took part in our second Road Safety Commission Campaign organised via Message In Motion. This is a mutually beneficially program to both participants and the club. Through this campaign we have promoted essential driver safety messages whilst also raising a staggering \$6,330 for our club. A huge thank you to everyone that took part – Secret Harbour had the highest number

of participants out of all of the Surf Lifesaving clubs involved.

A sincere thank you to the following members for your invaluable support and work in the area of Sponsorship, Grants and Marketing over the last two years, without members like you the club cannot run as effectively as it does:

Stuart Reeves, Anne Evans, Tex Reeks, Amanda Seale Turner, Kim Wade, Sarah Lowe, Rick Lowe, Samantha Lowe, Carolyn Wilson, Del Rule, Mark Glover, Neil Belton, Lisa Sertorini, Lisa Johns and everyone who has volunteered for the BeachSAFE appeals and fundraised for the club.

Thank you once more to our generous sponsors. Your support is not something we take lightly and is very much appreciated by our club.

Laura Adolphus  
Director of Sponsorship, Grants & Marketing.

## HOUSE & SOCIAL REPORT

Before I recap our season I need to thank a couple of people who constantly had my back and need a special mention as they continually go above and beyond. They are Kim Wade (my amazing bar manager) and Ron Wade. Also Mark Thomas (the man with the broom (that's him)) as he has spent most of the season looking after the house side of things. Making sure our wet area and gear shed are useable space and hazard free.

We started off in September, launching our social Friday nights. Followed shortly after we opened for our AFL and NRL finals series. These went off without a hitch and although there weren't a lot of people, everybody enjoyed a good time.

With October came the launch of the Woodside Nippers. This brought a great vibe to the club and we started hosting Sunday sessions on the Sundeck. An amazing view on offer and a great opportunity to get to know some more of the membership! There were many successful afternoons/evenings on the Sundeck, with our monthly live music: musicians such as Tayla De Coster, M8 Mewsic, Ella Melton, Tandem and Nate Lansdell. These nights were buzzing- a great atmosphere and great social outlet for

our members. We hope to continue next season.

The Woodside Nippers' Disco in November was a hoot. A huge thanks to Jasmine Noorman and Lewis Harrison for hosting this. I think the nippers had a night to remember and so did the parents who chilled on the Sundeck.

Oktoberfest was next. What a great night with Beer on tap. Thanks to the Boatie boys, German food courtesy of Greg Stroot and Jo Thodis, photo props and German cheese platters. People came dressed in their Oktoberfest attire and celebrated as a true community.

December was a busy month as we hosted a couple carnivals at our very own Club. This

was the launch of the gear-shed bar, where once again the tap beer (thanks Bruce) was a hit and Club had more atmosphere than ever before. We continued on to a much-needed break over Christmas and a quiet January as was enjoyed by most. Shortly to follow were several functions in the pipeline however then the Coronavirus hit the country and things have been postponed until further notice.

There are too many others to mention but a huge thank you to all on our house and social team. Let us look forward to some more exciting events when we are back to normal.

Jaime Thomas  
Director House and Social

## INTERNATIONAL WOMEN'S DAY

Celebrating 40 years of Women being fully accepted into all active Surf Lifesaving duties.

On the 8th Of March 2020, 22 patrolling members made club history, making up the first ever all female patrol at Secret Harbour SLSC to mark 40 years of women becoming officially involved in all active surf lifesaving duties. There was no shortage of skills, ability, or confidence: proof of how valuable and integral women are in our organisation.

The all female patrol at Secret Harbour was comprised of some of our greatest and most influential female members, no doubt inspiring the young rising stars they patrolled alongside. Channel 9, sponsoring a commemorative towel for all involved, proudly supported the official day. This was

followed with a digital media campaign where Channel 9 helped us shine a light on the achievements of eleven of our most dedicated and high achieving members.

Women have a long history of being involved in Surf Lifesaving but it wasn't until 1980 that they were fully integrated into the movement and became eligible to become full members of SLSAA. This included finally being able to train and qualify for the Bronze medallion Surf Lifesaving Award.

The following members can be very proud they took part in the first ever all female patrol in history at Secret Harbour SLSC.

Megan Williams, Jess Williams, Tayla Jones, Lee Jones, Ella Arscott, Courtney Wade, Carolyn Wilson, Amelia Anderson, Nicola Awang, Jodie Barker, Ellie Bennett, Jennine Jannssen, Emilie Kermath, Sarah Lowe, Lesley Santer, Tahlia Wyburd, Mia Bennett, Rebecca Turrell, Kim Wade, Alannah Maurice, Megan Tong.

It was a privilege to patrol alongside every one of you and I'm proud of what we achieved.

Laura Adolphus, Director of Sponsorship, Grants and Marketing.

## TRAINING & EDUCATION REPORT

*"If you think you are too small to be effective, you have never been in bed with a mosquito"*

[Dr. Betty Reese, educationalist, professor of nursing and mother of 'Legally Blonde' actress Reese Witherspoon]

And so I say to all our little mosquitos on the educational team, "Thank you enormously, you have been inspirational in your dedication to the cause - the unremitting cause of supporting, nurturing, cajoling, bribing and threatening our members into helping them find the best within themselves in surf lifesaving. Our volunteer trainers and assessors are the unsung front-line workers within the surf community. No glory of podium finishes, no weighty medals to adorn our collars, no chest-beating boaty-bravado, no battling the ripping surf to glorious rescues, no, merely contentment in the knowing that without the trainers and assessors those glorious pursuits would be sadly wanting in our lives.

is but we got the point. Just look through the members-list of our club and reflect upon the status of respective journeys. The journeys we are all on. Many of the old guard stepping down after years of selfless service, the twenty/thirty-somethings stepping up to new and exciting challenges, our youths building skills, utilising talents and pushing the boundaries to continue to ensure the surf movement stays relevant as we progress through uncertain times. Consider your own journey, consider your future and the opportunities available to you.

Mark Dove  
Director of Training & Education 2019

Contending, at times, with competing directorates and external encumbrances has been and will always be the lot of the teacher / trainer. How many times have we been dismissed with, 'she'll be right', 'I've got training', it's the surf league', 'I'm on patrol', 'it's my swing', 'I'm at sea', 'I've got work', 'on-line learning has crashed', 'dog ate my homework'? It's a cross we will continue to bear as we attempt to guide our students to lifesaving enlightenment. And, truth be told, after the event, we sit together with a glass or two of Chardy, chuckle to ourselves, roll our eyes, shrug our shoulders, joke about the ineptitude of the class of 2020 and then look forward to doing it all again with the next bunch of raw lost souls.

At one recent post-course soiree, Diggers eloquently engaged us in badinage regarding innocent acorns and mighty oaks. He was all metaphor and symbolism, as Diggers often

Education and training at the Club has certainly had the wind taken out of its sails by the COVID-19 for the first half of 2020. The courses planned to be conducted from March had to be postponed with no foreseeable return in the near future. As I write this report, there is a glimmer of hope that the Club will be able to commence the courses postponed before the season commences again.

Nevertheless, CONGRATULATIONS to everyone who has made the effort to obtain an award this season. These awards do not happen by chance, there is a lot of commitment and dedication shown by each recipient to achieve.

### Trainers and Assessors

There is also the unwavering commitment and dedication by the trainers and assessors to deliver these courses imparting their enormous amount of knowledge and skill.

I would like to take this opportunity to give a huge thank you to the following for all their dedication, contribution and mentoring to the training this season:

Ella Arscott, Nicola Awang, Jodie Barker, Mark Dove, Anne-Marie Dullaghan, Craig Graydon, Alexis Grayson, Lewis Harrison, Sarah Hull, Cody Jones, Richard Lowe, Ian Noorman, Graham Shackles, Mitchell Shackles, Jo Thodis, Chloe Thomas, Peter Traeger, Andrew Williams, Garry Williams, Jessica Williams, Megan Williams, Carolyn Wilson, Digby Wilson

A summary of the awards achieved this year:

- 30 x Bronze Medallions

**Rescue Water Craft Operator Certificate (RWC)**

The Rescue Water Craft (RWC) Operator course provides participants with advanced skills and knowledge to effectively drive and manage a Rescue Water Craft (RWC) in lifesaving operations.

This is the highest watercraft certificate available, allowing our members to operate the Jet Ski. This course takes many weeks during the off-season to complete this award.

Congratulations to:

Liam Bates, Richard Lowe, Brendan Privilege, Liam Van der Heyden, Megan Williams.

**Silver Medallion - IRB Driver Certificate (IRBD)**

The IRB Driver is responsible for safely operating the IRB in the surf zone and managing the IRB Crew.

Congratulations to:

Thomas De Prato, Michael Hall, Texas Reeks, Liam Van Der Heyden.

**IRB Crewperson Certificate (IRBC)**

The Inflatable Rescue Boat (IRB) Crew course provides participants with the skills and knowledge to effectively crew an Inflatable Rescue Boat in surf rescue operations.

Congratulations to:

Amelia Anderson, Nicola Awang, Luke Awang, Roxy Came, Harry Collins, Byron Finch, Kirsten Geddes, Kali Grayson-Dharmaputri, Charlene

Harris, Jessica Harris, Tayla Jones, Sam Liney, Brayden McDonald, Jasmine Noorman, Oliver Twiggs, Patrick Walsh, Riley Walsh, Adam Williams, Jaspar Wood.

**Certificate IV Training and Assessment.**

This level of qualification requires a high level of effort and dedication. We have 1 member of the training team who has undertaken their TAE40116 Certificate IV in Training and Assessment with the Healthy Business Training Academy (RTO 30831).

Congratulations to:  
Jodie Barker.

**WA Training Officer Certificate**

The Training Officer Certificate provides participants with the skills and knowledge to deliver training programs.

Congratulations to:

The Spinal Management Certificate addresses the need to identify and manage victims with suspected spinal cord injuries in the aquatic environment.

Congratulations to:

Neil Belton, Martin Combrink, Derry Smith, Gregory Stroot.

**Advanced Resuscitation Techniques [AID]**

The Advanced Resuscitation Techniques Certificate teaches the principles of airway management and oxygen aided resuscitation.

Congratulations to:

Amelia Anderson, Harry Collins, Rowan McDonagh , Sam Moon, Ian Noorman, Dylan O'Brien , Ben Roots, Riley Walsh, Patrick Walsh, Ella, Arscott, Grant Stirling, Ashlin Traeger, Katii Traeger, Steve Taylor, Neil Belton, Rohan Pugh, Greg Stroot, Joanne Thodis, Jack Stirling, Roxy Came, Phillip David.

**Pain Management Certificate**

The Pain Management Certificate provides participants with the skills and knowledge required by current members or employees of SLSA or its affiliated bodies to be permitted to carry and administer methoxyflurane as a basic pain management technique.

Congratulations to:  
Liam Bates, Neil Belton, Phillip David.

**Radio Operators Certificate**

The Radio Operators Certificate provides participants with the skills and knowledge to operate communications systems and equipment in surf lifesaving operations.

Congratulations to:

Oscar Moores, Noah Stevenson.

**AUSPICE Training 2019-20**

36 community members were trained. A big thank you to Carolyn Wilson and Jo Thodis for taking our club AUSPICE to the community. A profit to the club of \$3000.00

In closing, again, thank you to all that have assisted with training and congratulations to all that have upskilled and gained awards.

## NIPPERS REPORT

This season started with a fresh look thanks to the generous sponsorship from Woodside. They donated a trailer full of new gear and all the Nipper bags with cap, hat and rashie as well as funds for club projects, a truly amazing gesture and greatly appreciated. Another very welcome return is to see the Starfish Nippers on the beach for their second season. We are all a bit stunned that the season has drawn to a quick close due to world health concerns. Stay safe and healthy and look after each other – we are a strong community.

Nippers is nothing without our fantastic volunteer age mangers. Every year we have some regulars, returning leaders and new faces (soon to be regulars, I hope!!), who bring so much energy to the nipper experiences of safety and surf life-saving skills. Thank you so much.

We all count on our kids being kept safe and this relies on our water safety people, who again are all volunteers. Coordinating Water Safety is a big responsibility so a huge thank you to Mark Glover and Mark Ashurst, who are wonderful! The water safety team always included cadets, who have often been nippers themselves, this sees them giving back to the Club in an invaluable way, which is awesome! In addition, it was great to see so much interest in the Nipper Rescue Certificate that Mark Dove, Carolyn Wilson and Digby Wilson ran twice this season. This resulted in many more parents on the beach being able to assist with the nippers. Thanks Dovey and the Wilsons :-)

As we watch our kids progress through the years of Nippers culminating in the under 14's achieving their Surf Rescue Certificate, there are many options available to these young people and how they will become the future of our club. Some of our youth return to age manage, others to assist with water safety, many patrol or are active in the cadets program 'The Crusaders'. Some put themselves out to stand for Junior Club Captain and we had 2 youth leaders this year in Jasmine Noorman and Lewis Harrison, Lewis has given 2 years in this role and has been involved in the club in so many ways you are a true giver Lewis, thank you. Next season: 20-21 Jasmin Noorman and Patrick Walsh have been

## Starfish Nippers

This season, a big thanks to Alcoa for their sponsorship, Director of Sponsorship Laura for securing Alcoa as an ongoing partner and support of Secret Harbour SLSC, which enabled us to successfully run our Starfish Nipper Program for its second season. Starfish Nippers is a modified nipper's program for children with special needs. We believe it is important that everyone can access programs where they can able to learn beach safety and awareness skills. Activities we ran for the children throughout the program included beach games, sprints & flags, water familiarisation and surf safety.

This season, we had nine children participate in our Starfish Nipper Program, four of which returned from last season. All of the children were consistent throughout the program, and always came down to the beach with a smile, ready for the sessions. It was fantastic to see those not only who had returned, but our new starfish nippers how they had grown in confidence within themselves and within the water, so much sometimes it was hard to get them out of the water!

Throughout the program, we had a total of 16 helpers, I would like to thank for their help and assistance which made it possible for the program to run.

The helpers were: Charlie Came, Grace Turner, Katrina Glenn, Sarah Lowe, Stephanie Lowe, Chloe Thomas, Angus Belton, Oliver Twigg, Rohan Pugh, Harry Collins with a guest appearance from Lorry Rule and Emma Hughes who helped on a day we were short. Without the support from these individuals, we wouldn't be able to run our program.

This season, we had planned to run the Starfish Nipper program for seven weeks, but due to the current circumstances, we were unfortunately only able to run for 5 weeks, but we can't wait for next season to be able to run the program again and see the smiling faces on the Starfish Nipper kids again.

Well done to all involved and thanks for your efforts

Rick Lowe

nominated as our Junior Club Captains, so congratulations to you both.

SLSWA call for nominations each year for junior and youth club achievers in the under 13 and under 17 age groups. Our candidates who received these awards this year were Serena Quinn and Jasmine Noorman. Well done - very well deserved.

This year due to the Scottish Masonic Charitable Foundation sponsoring youth awards we also had some extra categories including Youth Official – Kali Grayson, Youth Life Saver SRC – Angus Belton. Congratulations to you both, thanks for all you give to our club and SLS.

Thanks to all those people who step up on Sundays and just muck in, always great to have extra hands, putting the trailer away, lugging boards up the

beach, folding those awesome tables etc I cannot name you all but hopefully you feel appreciated as you truly are!!!

I hope to see some new faces to help run Nippers next season, many hands make light work and new ideas always help keep things fresh.

We are so lucky to have a strong, vibrant club which nurtures our kids and is focussed on a strong community for all to enjoy. Thank you to Brendan Privilege for his support as Club President, a big job and all voluntary. Trish and Jacqui our admin and membership ladies keep all the cogs turning and support me, and the membership generally, behind the scenes in so many ways – THANK YOU.

## CRUSADERS CORNER

Well what a year! After the birth of the Crusaders, now 8 years ago, our numbers involved in the YEP program have increased by 400% with us now consistently having over 100 engaged in the program. This year, 56 of us attended the Busselton camp!

Out of the one hundred and eleven 13-19-year-old Crusaders registered for the season, we had 86 Crusaders patrol, providing some 2061hrs. The Crusaders supported patrols, Abalone patrols, water safety, community fairs, safety expos and other community events. Their commitment again this season has been outstanding.

In particular, we had 13 Crusaders all patrol over 40 hrs which is a significant commitment: Luke Awang, Ella Arscott, Jaspar Wood, Amelia Anderson, Nicholas Graydon, Harry Collins, Jacob Barker, Patrick Walsh, Jasmine Noorman, Tayla Jones, Riley Walsh, Johanne van der Heyden, Jack Stirling.

A number of these guys are assistant managers, office bearers of the club, new trainers. Many are mentors to the younger Nippers and to their peers. Some have competed at the highest level competition and some have been acknowledged as evolving leaders.

A couple have taken up the opportunity to participate in the new SLSWA Youth Leaders

Program with two members gaining their gold – which is quite an achievement! Well done Jasmine and Kali.

#### Youth Leaders:

Michael Hall, Oliver Twiggs, Rowan McDonagh, Jasmin Noorman, Liam Privilege, Megan Tong, Ashlin Treager, Tayla Jones, Harry Collins, Roxy Came, Abby Poad, Chloe Thomas, Jessica Noorman, Kali Grayson-Dharmaputri.

#### Youth Officials:

Michael Hall, Kali Grayson-Dharmaputri.

We have had a huge amount of fun over the years, with this year being no exception. We conducted IRB/RWC famils, IRB Awards, visits to VMR, visit to our Westpac Helicopter, Coogee jetty jumping, SRC/Bronze Camp sleep-over(with the theme of Star Wars), our Penguin Island adventure and, of course our February Crusader's Camp – The Avengers.

We also kicked off briefly our third season of IRB Competition with proved to be awesome fun while it lasted - Go the IRBIVORS!

Unfortunately, due to COVID 19, we didn't get to compete –roll on next season!

Our Cadet Camp in Busso has continued to grow with a slightly different format and new batch of helpers. We had 56 campers making the trip to Busselton this year, The theme as always is to have a go...with us taking on the characters of the Avengers.

We had quite an adventure, spending the majority of Saturday at Smiths Beach; surfing, kayaking, paddling, swimming and exploring before we returned to Legacy for some activities lead by Jess Williams- our very own Club Captain. We had an interesting afternoon playing musical chairs with a difference – when music stopped the brief was to form either – a boat crew complete with sweep, board rescue (now that was funny), a patrol and/or an IRB, complete with pontoons, driver and crew. There was the obstacle course and, who could forget, the board rescue washing machine and demonstrating how to sink and IRB – 29 in an IRB this year! Our hosts, Steve and Angie at the Legacy on Geographe, provided a great

atmosphere for our camp as usual and insight into the history of legacy and about the camp school which was established in 1936.

Over the course of the season these guys have been working towards their Radio Operators, SRCs, Bronze, IRB Crew, Trainers and our YEPs rewards of Bronze, Silver and Gold by engaging in patrols, development activities and in Surf Sports.

This year we had two Crusaders progress their Radio Operators Award, twenty-one progress their SRCs, twenty-four Bronzies and nineteen Crewies. Huge effort team! (See awards section of the Annual report)

Of note is that this year was the first year that we have offered the Bronze and the IRBC together. So huge effort to those guys and girls which committed to both the Bronze course and the additional session to gain their IRBC.

We have a number of new Crusaders just awaiting final sign off as our newest Bronze trainers in: Ella Arscott; Cody Jones, Mitchell Shackles and Chloe Thomas.

This year we have had 27 Crusaders complete the **Youth Engagement Program Bronze Award:**

Aiden John Ayoub, Oliver John Ayoub, Jacob Barker, Bailey Cavanagh, Jonathan Chick, Ben Donellan, Romy Dullaghan, Jacob Edwards, Letisha-Louise Fyfe, Kali Grayson-Dharmaputri, Joshua Grubelich, Bryce Illingworth, Cole Johns, Brayden McDonald, Jed Moore, Oscar Moores,

Jessica Noorman, Alyssa Shackles, Noah Stevenson, Jack Stirling, Grace Turner, Rubie Turner, Rebecca Turrell, Joseph Tyrrell, Johannes van der Heyden, Freya van Koolbergen, Jouke van Waas.

**19 Youth Engagement Program Silver Award:**

Ava Arscott, Angus Belton, Mia Bennett, Ethan Dawson, Byron Finch, Kirsten Geddes, Brayden Janssen, Tom Leo, Hannah Leo, Rowan McDonagh, Harrison McKenzie, Keira Mladineo, Abbey Poad  
Liam Privilege, Zoe Shackles, Joel Thomas, Patrick Thomas, Megan Tong, Oliver Twiggs.

**17 Youth Engagement Program Gold Award:**

Amelia Anderson, Ella Arscott, Luke Awang, Roxy Came, Harry Collins, Nicholas Graydon, Lewis Harrison, Emma Hughes, Cody Jones, Tayla Jones, Stephanie Lowe, Jasmine Noorman, Chloe Thomas, Ashlin Traeger, Patrick Walsh, Riley Walsh, Jasper Wood.

With a number of others working towards their next level.

I'd like to thank everyone that has made, and continues to make, the YEPs program the success that it is today:

Firstly, our Crusaders – you guys rock! To the mentors that assisted with the camp, our monthly outings and Sunday morning activities –there are just too many of you to mention.

To the ladies that assisted with feeding some 65 people at our Club sleep over to those that assisted with transport - I salute you guys.

Our camp facilitators, Graham Shackles, Ian Norman, Megan Williams, Jessica Williams, Nicola Awang, Jodie Barker, Craig Graydon, our over 18 Crusaders in Mitchell Shackles and Cody Jones.

There is nothing better than watching and being a part of the development of these fine examples of our Western Australian Youth and our leaders of the future.

Our Sponsors, Paul Papalia, Channel 9, Team Anzac, Ocean and Earth, Alcoa that have assisted us in financing our annual camp and BNZ and Silver Awards and some of our new initiative's such as IRB Competition and Megan for the Gold Awards.

And who can forget the Mandurah SES for loan of their Bus...Thank you!

Finally, I'd like to acknowledge the BoMs support of the program. The program is a substantial investment into our future.

We have big plans for the winter and next season as Megan and I hand over the reins to the Crusaders to embark on a program for the 19-23s. I hope to see you all next month for our next adventure.

Garry Williams

## SURF SPORTS REPORT

What was going to be another big year for Secret Harbour ended up turning into a bit of fizzier. With everyone working hard throughout the winter period and through the early stages of summer it was quickly halted the week of junior states due to the COVID-19 pandemic.

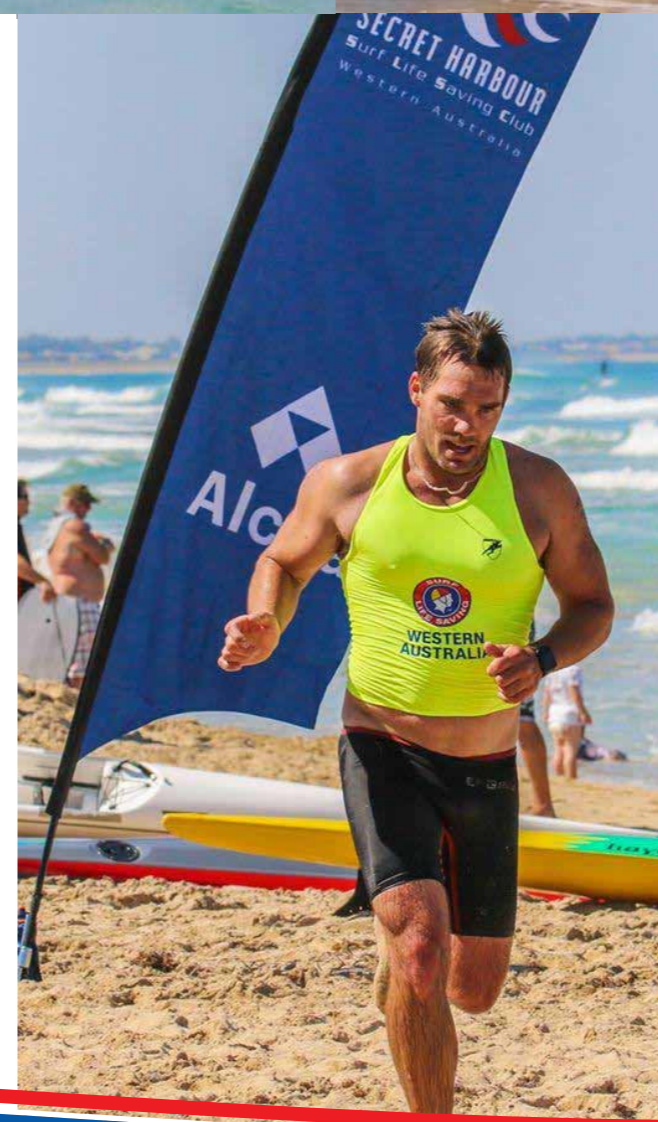

However, the Secret Harbour SLSC sports team have lifted the Secret Harbour flag high with some outstanding achievements in the competitions that took place and have been great ambassadors for the club around the state of WA. We were well represented right from our little nippers (U8's) through to our youth and seniors.

Once again Secret Harbour had a Surf League team entered and we also hosted round one of Surf League at our home beach with a very strong finish. Thanks to Trigg Island combining with us we were able to complete the series once again. Along with hosting the first Round of Surf League we held the first senior carnival of the season which saw 550 athletes from over WA come to our beach. Very big thank you goes out

to the small team of volunteers we had which made this carnival as successful as it was (also a big fundraiser for the club) and making everyone want to come back for more next season.

The Secret Harbour Gold was run and won again in near perfect conditions with a magic morning on the water enjoyed by all. This year saw the numbers grow to all new highs as we introduced our Nipper Gold and also invited neighbouring clubs which saw some good racing and laughs out on the course and at presentations afterwards. Country Championships this year were held down in Denmark, the junior team, although small in numbers we excelled in taking home a massive medal haul and finishing runners up to a much bigger Bunbury team. A huge effort all

round from our nippers, your presence amongst the city and country clubs was definitely felt this season. Unfortunately, our youth and senior athletes were unable to compete due to the conditions taking a massive turn (3m swells with gale force onshore winds) for the Sunday of competition which unfortunately saw the carnival, other than the Country and Masters surfboats championships who relocated to Albany to complete their competition, called off. Most seniors gave the beach events a go and did well even if it's not their discipline. With their efforts, combined with the Pickled Onions (Ross Onion's, Bec Hughes, Kelly Turner, Ann Marie Dulligan, Ingrid Ostle) (Amanda Turner was integral to the team until her diagnoses late in the season) who secured Silver at the Country Championships and Gold in the

180 female at the Masters Championships, and the Screamin Seamen (Beno, Izak Geddes, Liam Van Der Heyden, Bruce Ridley and Lachlan Hayes) who won Gold in the open male Country Championships. The weekend had a great team spirit and added to the clubs points.

Once again, our pool rescue team represented us well with some great results. Coming out of state titles with 2 golds, 3 silvers, 5 bronze, 9 fourths, 8 fifths, 7 sixths and many other amazing results from the team. The club finished 9th overall on 94 points from the weekend of racing at HBF stadium. A big congratulations goes out to our very own Carolyn Wilson who was appointed the head Referee for the Australian Pool Rescue Championships held on the Gold Coast in Aug 2019.

Our IRB racing team (lead by Gary Williams) had another solid season with the team growing

and having some excellent results throughout the carnivals and then again at state titles making several semi finals and finals across the different male and female age groups.

We would not be able to achieve any of these amazing results without our great support crew of coaches, officials, sports committee, our amazing office staff and most of all our team of water safety personnel which enable us to compete week in week out. Even though it is the off season our competitors and coaches will be hard back at it as soon as we can after the pandemic is over getting ready for another big season ahead.

Stay safe and I look forward to seeing you all on the beach again soon.

Sam Maurice  
Director of Surf Sports

## SHSLSC AWARDS 2019/20

Unfortunately due to the COVID-19 pandemic, our awards have been limited this season, and the awards night postponed to a later date. We are looking forward to congratulating all winners of this season.

Hopefully in the 2020/21 season we'll be back to normal with the awards and awards night!
