Acknowledgement of Country

Secret Harbour Surf Lifesaving Club acknowledges the Traditional Owners and Custodians of the land and waterways in the community we serve, the Binjareb and Whadjuk, Nyoongar peoples. We pay our respects to all members of Aboriginal communities and their cultures; and to Elders past, present and emerging.

## OUR VISION

To be the focal point of surf lifesaving activities within the City of Rockingham, providing beach patrol services to Secret Harbour Beach and to other swimming beaches within the City as determined by resources and qualified members.

## OUR MISSION

We exist to provide surf lifesaving patrol services to Secret Harbour Beach, and to other swimming beaches within the City of Rockingham as determined by the availability of resources and qualified members.

To achieve this mission we must:

- Maintain high standards of education and vigilance.
- Continue our proud record of no lives lost during surf lifesaving patrols.
- Be highly regarded by the local community as a volunteer service provider.
- Foster and promote the ideals of healthy lifestyle to our members and the local community.

## PRESIDENT'S REPORT

**T**his season has been an extremely busy time for everyone at the Club. It has seen some very long-awaited outcomes for the Club, firstly with the lease for the downstairs café area finally being signed; which is very welcoming news for our members and the local community.

Work is well underway and it is

looking fantastic. The Surfing Lizard will form part of our culture moving forward which is exciting and something we are looking forward too.

Secondly, the lease for the Fine Tune Fitness gym has also been re-signed. The signing of both of these contracts will assist our Club; which means we are able to not be

as reliant on other income streams and sponsorship, which can be difficult to obtain in these times.

I would like to thank The Honourable Paul Papalia CSC MLA and the WA State Government for providing \$150,000 to the Club for building infrastructure improvements. These funds will be utilised for a member's area in some form; with some of

the funds having already been spent on an air conditioner in the sundeck servery. An ad hoc advisory group of members from varying areas of the Club was formed during the season to determine the requirements for this area. This has been completed with drawings now being developed for further consideration.

Thank you to the State Government, SLSWA, Woodside and our other sponsors who provide much needed equipment and funds for lifesaving, surf sports, education, Woodside and Starfish Nipper programs. This support ensures we have the required equipment and that equipment remains in good condition. We continue to apply

for grants and seek out potential sponsors to maintain the Club's ability to support the membership and local community. We simply could not provide the level of service we do without the help and funds from those supports mentioned; so thank you.

Unfortunately Rockingham Toyota have taken the ute back and are

unable to continue their sponsorship. I would like to thank them for their support for the previous three years. The ute was an exceptional vehicle and we were very fortunate to be given it. The Board of Management have considered many options for the upcoming season and beyond for the vehicles on our beach, with more information to be provided to the membership prior to the beginning of next season.

As always our patrolling members showed great commitment on our beach this season, including our beach patrols, abalone and water safety events. With everyone's support on the beach, we provided the local community a safe and secure environment to carry out their aquatic activities. We received

many positive comments on the professionalism of our members and thanks for the service we provide. So to all of our patrolling members, well done and thank you for your efforts this season.

Our Woodside Nippers had another fantastic year, with many new faces on the beach all enjoying themselves and developing their surf skills. On Sunday mornings, it is great to see the buzz down the beach. Mark and our Age Managers have done a fantastic job coordinating the Woodside Nippers throughout the season. I would like to thank all of those who are involved with the Woodside Nippers program, from the Age managers, water safety, the ladies in the canteen, those who organised and ran the BBQ and the parents that were down the beach

every Sunday; your efforts are greatly appreciated.

Our Starfish Nippers program, which is a modified nipper program for children with special needs, continued this season; which was extremely rewarding for all those involved. It was pleasing to see the kid's progress from week to week in the water, with the relationships formed between the children and the helpers a very exceptional one indeed. The parents of the kids are extremely thankful to the Club for this program. Our Starfish Nipper program wouldn't be able to run without the support of the Trustees of the Stan Perron Charitable Foundation, we cannot thank them enough. Thank you to Katrina and her team who assisted with the one-on-one program this

season, your efforts have helped these kids immensely.

The Crusaders program for the young adults at the Club continues to be the benchmark that other Surf Lifesaving Clubs in WA inspire to replicate; with this program being critical for the continued engagement of our youth. These kids are dedicated with good skills in all pillars of surf lifesaving. They are and will be a large part of the future for Secret Harbour SLSC. Thank you to Garry and his team for the work they do with the Crusaders program.

Our competitors and coaches have had a great season, with many successes throughout the competition season. The Aussies in WA this year provided our competitors with a unique opportunity to be involved

in the national competition, and it was extremely impressive to see how many of our members attended and represented Secret Harbour SLSC. As a Club we also had some of our members officiate and do water safety. These surf sports competitions could not take place without the support and skills you provide, so thank you too all.

Another group of people who give up a significant amount of time year after year are our trainers and assessors, they are critical for any surf club to continue doing business. Our trainers and assessors continue to keep our members proficient and highly trained, and we are extremely lucky to have some of the very best in WA at Secret Harbour; so thank you to each and every one of you for your continued efforts.

Thanks to Kate Crockett for her contribution in the PR & Sponsorship realm. Kate has put some great initiatives in place during her time as a Director; to include the updating of the SHSLSC website. A lot of work is done behind the scenes as a Director and Kate's efforts have not gone unnoticed.

Finally, I would also like to thank the Board of Management, office bearers and the office staff this year for all their efforts during the season. The Club could simply not function without your contributions.

Bring on season 2023/2024!  
Cheers,

**Rick Lowe**  
**President SHSLSC**

## VICE PRESIDENT'S REPORT

It has been a big year in the Club. Some of the many challenges can make you wonder why we persist but when I look at the strength of our people and what they are prepared to do I know it is well and truly worth it.

Our membership is down from previous years and whilst the lingering effects of COVID-19 and the current economic climate are having a serious impact, there are more underlying issues we need to deal with and the Board has recognised this and are planning to work through these in the future.

Our Office Manager Jane finished up with us towards the end of last year as she felt it was time to have a go at something different and we wished

her well when she headed off to her next adventure.

We advertised the position and received 56 applications which were quickly reduced to 5 of which three were finally interviewed. I don't want to appear too smug but I felt the interview panel made the right choice and Karen's relatively short time in the office has already proven us correct – we made the right choice.

The Café lease was signed last year and work progressed on the fit out over most of the last season. COVID-19 as well as labour and material shortages have slowed progress, but it is looking like opening before mid-year ready for next season.

By the time you are reading this it may already be open for business.

The Member Space is continuing to progress. I called for volunteers to form a committee last year and received a number of responses.

The committee members were selected to represent the various major groups within the Club and to ensure we received input from Life Members through to Nippers. The input from members was limited but useful in forming our ideas. In summary, it was an area that members could use with our memorabilia in place and basic amenities to make it 'feel' like our space. The sun deck was chosen as the ideal area for partial enclosure.

Plans are now being drawn up and will be presented to members at a later date.

The office is undergoing a major change in the way it operates. Karen and Kim are working hard to restructure and streamline many of our processes so we can deliver the best service from limited resources.

This involves change in areas such as the number of hours the office is open to members and how members will interact with the staff. A lot more will be going online over time to allow better access to services after hours which was an issue on which the Board has received considerable feedback over the past couple of years.

The Toyota Ute sponsorship ended in April 2023 and we reluctantly handed this fantastic vehicle back to Rockingham Toyota in early May. Despite everyone wanting to continue the partnership the current economic climate prevented this from happening. Further sponsorship for the foreseeable future is unlikely as all car dealerships are feeling the pain of limited vehicle stocks and low cash flows. The Board is looking at options for a replacement of the capability the Ute provided but it is a balance between what we can afford and what we need.

The Board will be conducting a series of strategy meetings with a focus on where we want to be in three to five years' time. The reality is that the

Club functions in the same way that a business does - we can only spend what we bring in as income; and if we don't find those sources of income we can't provide the services for our members and pay our bills. I think we are at a crossroads where we can stay as we are or we can progress and take on the big challenges and take the Club way further into the future.

There are many great ideas out there but almost all of them cost something in either time or money. We have the talent and the drive to do this so I think taking on that challenge is worth it. See you on the beach.

**Stu Reeves**  
Club Vice President

## CLUB CAPTAIN'S REPORT

Once again throughout the 2022/2023 season massive efforts and dedication has been put into our Club by everyone I've come across. I would personally like to thank all our trainers, assessors, coaches, age managers, parents, patrol captains, committee members and patrolling members for the efforts they have put in this season. Without you our Club would not be functioning as well as it does. The time and dedication over the whole year is amazing.

Our first patrol kicked off on the 22nd of October and throughout the season our beaches were well-patrolled. It was great to see so many new faces patrolling amongst the old; keeping our beach safe for all the community far and wide.

Woodside Nippers followed closely a week later; those kids are amazing and are so eager to learn even though it can be a little chilly in those early mornings. Shoutout to our Director of Youth Mark Cossey. Mark has just completed his first season as Dir of Youth and has done an amazing job. not sure but it could just be a Mark thing.

This season the volunteer efforts of so many helped our Club have another successful year; with water

safety events and abalone proving to be great fun as well as profitable. The Carnivals were well attended and they wouldn't have been possible without all our volunteers putting in countless hours to make the days run successfully. For me seeing Club colours competing on the beach and smiling faces makes it all worthwhile.

Well done to our competitors who put in many hours of training and you volunteers who dedicate your time; time and time again. I encourage anyone who has an hour free or an inclination to get involved around the Club to come forward. It's a very rewarding experience; you get to meet some great people and make lasting friendships.

The Wet Training area had a spruce up this season, we painted the Club colours on the walls and now display our Club Culture and Values. Hopefully this provides a welcoming place for members to gather.

It was awesome to see Aussies at Scarborough this year; which was a big eye-opener for new and old competitors. A great experience to be had.

I'm very proud to be part of SHSLSC as Club Captain and i look forward to seeing you all on the beach for the season of 2023/2024

Stay Safe Everyone.

**Mark Thomas**  
Club Captain

## LIFESAVING REPORT

The 2022/2023 season was definitely one to remember for Secret Harbour SLSC, with 44 newly qualified lifesavers donning the red and yellow for the first time. With 8 of them continuing onto their IRB Crew Course. The smiles on their faces whilst being handed their uniform

standing alongside newly made friends ready to make new memories is one of the many beautiful things Surf lifesaving has to offer.

Our active member numbers were higher than previous years along which is fantastic to see, with some

highly experienced patrolling members making a return and stepping onto the plate this season to mentor some of our newest patrolling members.

I would like to make a Special shout out to our Vice President Stuart Reeves for his willingness to change

# 43,503

PEOPLE RECORDED VISITING  
SECRET HARBOUR BEACH

patrols 3 times this season as Patrol Captain due to peoples work circumstances changing. Stu was more than happy to fill these positions where necessary.

Our statistics were higher than last year with our lifesavers performing 33 rescues, 75 First aids, 877 preventative actions, total beach attendance of 43,503 people; and all this hard work is showed by a whopping 5782 Hours. That is an outstanding effort by all, this is from our single patrolling members to our competitors, nipper parents, youth &

crusaders and many other pillars in the Club.

In 2022/23 we continued our abalone patrols at Penguin Island & Point Peron working alongside VMR, our RWC - Peel Support Operators & Fremantle SLSC to keep fisher people safe throughout the short, but dangerous fishing season. We re-structured our local operating procedure to maximise efficiency between our lifesavers.

As for me, it was a pleasure to be Director of Lifesaving for the 2022/2023 season. Secret Harbour

beach was kept safe by our volunteers once again with 0 major incidents which is a reflection on the high standard that we set here in our Club.

Finally, I would like thank you all for your service & support over the season, a special thank you to the Patrol Captains & lifesaving committee members.

I look forward to seeing you on the beach in the 2023/2024 season.

## SILVER MEDALLION FOR BRAVERY

**T**he Silver Medallion for Bravery – Lifesavers Award, is awarded to any member of Surf Life Saving Western Australia who performs a conspicuous and selfless act of bravery on or off the West Australian coast, recognising the application of important lifesaving skills learnt through their participation in surf lifesaving.

**PATRICK WALSH  
& JOSEPH TYRRELL  
07 October 2022**

These young Men have displayed great courage entering the water in the dark supported by a team of Crusaders that were at the Club for a Crusaders Planning Meeting on the evening of the 7th October 2022.

While Patrick and Joseph have been acknowledged for their selfless acts, the professionalism of the team that

supported them on the beach is to also be commended and is testament to the Club's Training and mentoring

"Attending a meeting at Secret Harbour Surf Life Saving Club on the evening of 07 October 2022, Mr Walsh and Mr Tyrrell were part of a group alerted to a number of people caught in a rip and struggling to reach shore.

A woman, whom herself had spent 30 minutes struggling to get to the shore, advised that there were three men caught in a rip out the front of the Club.

Dark outside, Mr Walsh and Mr Tyrrell, along with other members of the group, made their way to the beach while others went in search of a light source and equipment to aid the rescue. On arriving at the beach, local police had also just arrived on the scene, where they found two of the men had made it

to knee-deep water; however, the third was still missing.

On rescue boards, Mr Walsh and Mr Tyrrell entered the water, maintaining constant verbal communications for their safety and aided by the headlights of the Club's 4WD as they searched the dark waters for the man.

The individual was soon located approximately 30m from shore, so the two returned to assist in transferring him to the Club until the arrival of the ambulance.

While Mr Walsh and Mr Tyrrell are trained lifesavers, they demonstrated bravery and selflessness as they willingly entered the dark waters to go in search of an individual in trouble."

## FINANCIAL REPORT

I would like to take the opportunity to thank Karen and Kim for keeping the books of the Club and all of the members and staff at the Club who helped and supported me throughout the year.

In terms of financial results, if you look at *Note 2* in the Club's accounts you will see that our "year on year" cash position has not changed.

Unfortunately, if you consider the effect of inflation, then the Club has less funds available this year when compared to last year.

The Club is still reliant on the kindness of other organisations in the form of grants, donations, and we are still some way away from achieving our strategic objective of ensuring the long term financial viability of the Club.

Regrettably there is no sugar on the table, and we will need to continue with our careful management of Club finances.

This is a reasonable result when you consider that the easy subsidies received during covid are no longer available, we have had a decline in member numbers and many of our costs are rising at a faster rate than our revenues.

This year has seen improved financial governance at the Club. The Board made the difficult decisions to not pay staff to run the Club bar (members are always welcome to volunteer and run the bar) and to not replace one of our part time staff members. Whilst I understand that it's a sensitive subject for members (myself and fellow boardies included) the Board has also made an initial decision to not replace the Club ute which was given back to Toyota.

Whilst the Club's accounts do show an \$18k surplus it's important to understand that the surplus was the result of recognising in this financial year, the IRB and motor that was donated to the Club by SLSWA in 2021 and it is not a real surplus that improved the Club's cash position.

By carefully managing our finances and in turn available funds we are hoping to be able to have the financial ability to take the initial steps towards creating an all-seasons members space and members will hear more about this in the future.

**Max Foster  
Director of Finance &  
Administration**

### COMMITTEE'S REPORT

Your Committee Members submit the Financial Statements of the Secret Harbour Surf Life Saving Club Inc (the "Association") for the year ended 30 April 2023.

#### Committee Members

The names of the office bearers and committee members at the date of this report are;

Richard Lowe	President
Stuart Reeves	Vice President
Mark Thomas	Club Captain
Vacant	Director of Lifesaving
Mark Cossey	Director of Youth
Derry Smith	Director of Training & Education
Max Foster	Director of Finance & Administration
Brendan Privilege	Director of Surf Sports
Vacant	Director of Social
Vacant	Director of PR & Communications

#### Officers

Accountant	Ward & Ilsley Partners
Karen Walker	Club Administrator
Kim Wade	Functions Co-Ordinator
Kim Wade	Membership Officer

#### Principal Activities

The principal income producing activities of the Association during the current financial year were Bar revenue, Functions and Events revenue and Canteen sales. Membership registration income and Merchandise sales also contributed a significant proportion of the principal incomes for the period.

The financial statements cover Secret Harbour Surf Life Saving Club as an individual entity. The financial statements are presented in Australian dollars, which is the associations functional and presentation currency.

#### Operating Result

Secret Harbour Surf Life Saving Club Inc reported a net surplus of \$18,400 with a trading profit of \$73,325 (2022: \$76,154).

Signed in accordance with a resolution of the Members of the Committee

President

Dated this 22<sup>nd</sup> day of June

Director of Finance & Administration

2023

# SECRET HARBOUR SURF LIFE SAVING CLUB INC

## NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2023

### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The Committee have prepared the financial statements on the basis that the Secret Harbour Surf Life Saving Club Inc. is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the financial reporting requirements of the members.

The financial report covers Secret Harbour Surf Life Saving Club Inc. as an individual entity. Secret Harbour Surf Life Saving Club Inc. is an association incorporated in Western Australia under the Associations Incorporation Act 2015. The financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB'), as appropriate for not-for-profit oriented entities under the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporations Act 2015.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

#### Basis of Preparation

The financial statements have been prepared on an accruals basis and are based on historical costs. The accounting policies set out below have been consistently applied to all years presented unless otherwise stated.

#### Accounting Policies

- Income Tax**  
The Association has obtained tax-exempt status under current Australian Taxation legislation.
- Inventories**  
Inventories are measured at the lower of cost and net realisable value. Cost is determined by the purchase price of the inventories.
- Property, Plant and Equipment**  
Each class of property, plant and equipment is carried at cost less accumulated depreciation and impairment losses (if any).

The carrying amount of plant and equipment is reviewed annually by the committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

SECRET HARBOUR SURF LIFE SAVING CLUB INC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2023

NOTE 1: STATEMENT OF ACCOUNTING POLICIES (CONT'D)

(c) Property, Plant and Equipment (CONT'D)

**Depreciation**

The depreciable amount of motor vehicles and other assets is depreciated on a reducing balance basis.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
First aid room equipment	10% to 20%
Merchandise and Office equipment	10% to 100%
Rescue, Training and Comp equipment	10% to 100%
Social hall, bar and canteen	10% to 100%
Building	10% to 100%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement.

(d) **Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand and cash at banks.

(e) **Revenue**

Revenue from donations and Interest revenue are recognised upon receipt of the funds.

Grants received for recurrent expenditures and member's subscriptions are recorded as income in the year in which they are earned.

Revenue from sale of goods (trading income) is recognised when the control of goods is passed to members/customers.

All revenue is stated net of the amount of goods and services tax (GST).

SECRET HARBOUR SURF LIFE SAVING CLUB INC

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 APRIL 2023

NOTE 1: STATEMENT OF ACCOUNTING POLICIES (CONT'D)

(f) **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

NOTE 2: CASH AND CASH EQUIVALENTS

	2023 \$	2022 \$

Westpac 219517	229	603
Prepayments	-	1,852
<b>TOTAL</b>	<b>427,382</b>	<b>428,901</b>

NOTE 3: ONGOING EVENT

During and post the financial year end, businesses and individuals have been adversely impacted by the Worldwide COVID-19 virus. The ability to earn income in the future for Club may also be adversely affected. The impact of any Government imposed measures to counter the virus's spread have, on the whole, materially impacted the current and future viability of the Club. However, due to the rapid and ongoing changes, an estimate of the extent of this decline cannot be determined at this time.

NOTE 4: EVENTS RELATING TO THE PRIOR YEAR

During the 2022 Financial Year the Club was given an Inflatable Rescue Boat (IRB) and motor, valued at \$25,000 by Surf Life Saving Western Australia. Unfortunately, the donation was omitted from the 2022 accounts. The donation and associated depreciation of the IRB and motor have been recorded in the 2023 accounts.

SECRET HARBOUR SURF LIFE SAVING CLUB INC

STATEMENT BY MEMBERS OF THE COMMITTEE

FOR THE YEAR ENDED 30 APRIL 2023

The committee has determined that the association is not a reporting entity and that this special purpose financial report is appropriate to meet the requirements of the Australian Charities and Not-for-Profits Commission Act 2012, Associations Incorporations Act 2015 and is appropriate to meet the needs of the members.

In the opinion of the Committee, the Statement of Profit & Loss and Other Comprehensive Income and the Statement of Financial Position:

- Presents fairly the financial position of the Secret Harbour Surf Life Saving Club Inc as at 30 April 2023 and its performance for the year then ended; and
- At the date of this statement, there are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the committee and is signed for and on behalf of the Committee by:

  
President

  
Director of Finance & Administration

Dated this 25 day of June, 2023

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF  
SECRET HARBOUR SURF LIFE SAVING CLUB INC

## Report on the Audit of the Financial Report

### Audit Opinion

We have audited the accompanying financial report, being a special purpose financial report of Secret Harbour Surf Life Saving Club Inc. (the Association), which comprises the statement of financial position as at 30 April 2023, the statement of profit or loss, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and statement by members of the committee.

In our opinion, the accompanying financial report of the Association for the year ended 30 April 2023 is prepared, in all material respects, in accordance with Associations Incorporation Act (WA) 2015.

### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Basis of Accounting

We draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report is prepared to assist the Association in meeting the requirements of the Associations Incorporation Act (WA) 2015. As a result, the financial report may not be suitable for another purpose. Our report is intended solely for the Association and should not be distributed to or used by parties other than the Association. Our opinion is not modified in respect of this matter.

### Responsibilities of the Committee and Those Charged with Governance

The committee is responsible for the preparation and fair presentation of the financial report in accordance with Associations Incorporation Act (WA) 2015, and for such internal control as committee determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Corporation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial reporter, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Corporation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

# GRANTS REPORT

We have had some terrific support for our Club in the way of Grants for the 2022-23 Season. There are a few supporters listed below where we have been successful; there are still two active grant requests open and fingers crossed we are successful there as well. That will give us a six out of six result for this season and a benchmark to work towards in the coming seasons.

A special thank you goes to the Stan Perron Charitable Foundation; when contacted to support the Starfish Nippers program they didn't hesitate in responding promptly. They considered our case outside of grant timelines which allowed SHSLSC to confirm it could offer the Starfish Nipper program to our community.

**Stan Perron Charitable Foundation:** For sponsoring our Starfish Nippers Program.

**City of Rockingham Community Grant:** For providing an upgrade to the Nipper Boogie Boards

**Variety WA:** For providing 2 x softpro Nipper Boards

**SLSA:** Beach Safe Equipment Fund

## SPONSORSHIP REPORT

**O**n behalf of all our members, we'd like to thank the following sponsors and partners for their support of Secret Harbour SLSC in the 2022/2023 season. Our sponsors range from Hon. State MPs to large companies, to community members who just appreciate all that our members do for lifesaving. Recognising the amount of volunteer time required to make things happen.

Each sponsor and donation is well received regardless of amount; we are very grateful for all the support. Your investment in our Club has allowed us to continue to provide programs and services that support and save lives in the City of Rockingham region. This in turn makes time spent on our glorious beaches as safe as possible; safety for all beach users, fantastic youth development and a continued strong presence in the community.

### SPONSORS

**City of Rockingham:** For supporting our volunteer lifesaving operations and upgrade of Nipper equipment.

**Rockingham Toyota:** For providing the Club with a Toyota Hilux Surf Rescue vehicle.

**Woodside:** For sponsoring the Woodside Nippers Program.

**Paul Papalia CSC MLA:** For supporting our Crusaders.

**Team Anzac Fund:** For supporting our Cadet program.

**Act-Belong-Commit:** For our renewed Community Partnership, providing our Club with resources and support to build a more mentally healthy community.

**Mandurah SES:** For allowing the Club to use their bus to transport groups of members to training, development camps and other essential club activities.

**Marine Rescue Rockingham:** For assisting with Rock Rescue and Search and Rescue Training.

**Peel 4x4 Club:** For delivering traffic management at our beach events.

**VarietyWA:** For funding 2 softpro Nipper Boards.

**Ocean & Earth:** For providing discounts on merchandise and gear used for our programs.

**Kingsley Smith:** For his annual cash donation.

**Bunnings Baldivis:** For supplying chairs to our Wet Training Area and a Holman 20m Hose reel.

**RMD Industrial:** For co-hosting the RKCC Business After Hours Event.

**Fitzroy Professional Services:** For their many in-kind donations.

**Williams Family:** For the continued support funding Gold rewards for our Youth Engagement Program.

**Mark Turley:** For refit / welding of the IRB trailer.

**Joy Wilkinson:** For supporting us with a cash donation. Joy is a community member and simply wanted to thank everyone for the fantastic job done on our Beach.

## HOUSE & SOCIAL REPORT

**T**he start of our season was well supported with monthly social events starting in May with our Club annual awards evening to recognise and commend the efforts of our Lifesavers, Surf Sports and Members.

In June we had a social event with Balls up Bingo that was greatly received by our members. It was great to see all our members who attended getting right into the theme including noteworthy efforts from Anne-Marie Dullaghan and Janetta Daines being more beautiful than our queen host mistress Dean Misdale. A big thank you to Amanda Turner for donating the door prize for the night.

The July events were live music from Tim Hibberd who provided us with a great night of entertainment. The Club also hosted a Volunteer Thank you afternoon followed by tunes from Krissy Smith and band providing a fantastic afternoon of fellowship and entertainment.

The start of August we had our AGM where we didn't manage to entice a new Director of House and Social which restricted the number of events we were able to hold. Thankfully we were able to honour bookings we already had planned so Tim Hibberd entertained us once again with a great turnout.

September we hosted a Quiz night with our very own John Phillips auctioneer extraordinaire. A huge thank you goes out to all our volunteers, sponsors and supporters from the night as

we were able to raise approximately \$8000 profit for the Club; and I am sure everyone of the 110 people who attended the night enjoyed themselves immensely.

Please show your continued support to our local businesses that helped us to raise needed money to go towards our youth programs, lifesaving equipment and alike:

**Baldivis Landscape Supplies, Beachcombers Hair Studio, Betta Electrical Port Kennedy, Big Brews, Community Supporter - Peter O'Driscoll, Community Yoga, Councillor - Lorna Buchan, Fine Tune Fitness, Gone Surfin, Happy Feet Fitness, Harbour Bar, Kingston's Kitchen, Lenard's Chicken, Links Kennedy Bay, Mallee Flower Farm, Mitch Roberts-Secret Harbour Golf Links, Nutrimerics - Lina McLernon, Ocean and Earth, Peel Auto Group Mandurah, Ron & Kim Wade, Salt and Mantra, Seashells Mandurah Resort, Secret Harbour Golf Links, Sharman Finance, Singo Carpentry, Yaks Mowing.**

Commencement of the Patrolling and Nipper Season in October Mark and Jaime Thomas took it upon themselves to create a "Clubbies Lounge" in the wet training area. They volunteered their own time to also run it in order to create a space where nipper parents and members could mingle and have a drink after a long morning on the beach. This was a huge effort as they also painted and finished laying the carpet and ran the bar with the support

of Mark Cossey and Karri Leigh. We cannot thank them all enough.

Through the season the Nipper BBQ ran its normal course again with too few volunteers. So once again a huge thank you to Mark and Jaime Thomas for coordinating the weekly BBQ ensuring the supplies of food and drinks were well stocked for volunteers to run the canteen when they were not there. Special mention goes to Kim Belton, Karri Leigh and weekly age group volunteers.

14th January 2023 we had the SLSWA SunSmart Youth and Senior Carnival being hosted at our Club. Krissy Smith Trio performed on the Sundeck to a large crowd earning the Club some great profits from the bar and canteen sales.

***Having a House and Social Director with a great support committee is essential for the Club to offer up events and good times for Members. Please get involved and put your name forward if organising a great time is something you can do.***

*See inside back page for more photos!*

# EDUCATION & TRAINING REPORT

*“The best way to learn is to teach.”*

Frank Oppenheimer

The 2022/23 season has been another successful one as far as training and assessing is concerned.

Once again, I would like to sincerely thank our very committed trainers and assessors for their ongoing support this season. Our trainers and assessors provide a significant amount of their time to deliver and assess the courses. It has been very pleasing to observe our younger trainers delivering many hours of courses and being supported and mentored by a handful of our very experienced trainers. Seeing these trainers going about their business is very heartening for the Club and bodes well for the future.

2022/23 has been a busy season with 215 awards being achieved and 375 skills maintenance proficiencies completed.

Congratulations to all that gained a new award this season and to all that completed their skills maintenance proficiencies.

## NEW AWARDS

- 24 Bronze Medallions
- 25 Surf Rescue Certificates
- 29 Nipper Rescue Certificates
- 1 WA Training Officer (RWC)
- 2 WA Training Officers (Bronze Medallion)
- 9 WA Training Officer Certificates
- 5 Silver Medallion IRB Drivers
- 20 IRB Crews
- 24 ARTs
- 8 Pain Managements
- 1 Provide First Aid
- 16 Youth Engagement Golds
- 19 Youth Engagement Silvers
- 27 Youth Engagement Bronze
- 1 WA Youth Leader Program Bronze Level
- 4 RWC Operator

— 215 Total New Awards

## PROFICIENCIES

- 115 Bronze Medallions
- 36 Surf Rescue Certificates
- 16 Nipper Rescue Certificates
- 1 Gold Medallion
- 35 Silver Medallion IRB Drivers
- 52 IRB Crews
- 66 ARTs
- 13 Pain Managements
- 39 RWC Operator
- 2 Radio Operator

— 375 Total Proficiencies

On behalf of Secret Harbour Surf Lifesaving Club, I would like to give a huge thank you to all our trainers and assessors for their enormous effort this season.

I would also like to thank the administration staff for their support and assistance.

**Derry Smith**  
Director of Education

## WOODSIDE NIPPERS REPORT

**S**ince assuming the Youth position I have had a simple goal, how to make a 6 year old want to wear the Yellow and Red Uniform of a lifesaver and be a member of our Lifesaving Family.

The 2022/23 season has provided some amazing weather, great conditions for our Nippers to learn beach safety and lifesaving skills. The benign conditions this year provided unique opportunities for our Nippers to experience 'Rips' in a controlled

scenario giving our Nippers the chance to feel what it's like to be caught in a rip and practice the skills to get back to beach, the Nippers were amazing, with no panic. They calmly displayed their ability to navigate the rip, an amazing achievement.

These amazing achievements continued through the season, with our Nippers competing in numerous levels of competition, from the Secret Harbour Championships to rare opportunities to compete and Aussies.

Secret Harbours Woodside nippers were well represented in the local Little Nipper competition; and as always did themselves and our Club proud. U10s to U13 Nippers represented the Club in a number of Carnivals this season with some amazing achievements being accomplished.

This season we have seen what our Nippers can achieve, and how they progress and the challenges conquered along the way. For some Nippers this is nothing but positive

and have a lot of fun as they cruise the program undeterred; whilst others have a more challenging progression. Whether it be swimming to the Cans for the first time, or the smile of their faces when they catch their first wave, all our Nippers have accomplished great things this year and each and every one should be proud of what they have accomplished.

As we watch our kids progress through the years of the Woodside

***"Woodside Nippers always bring such great energy and colour to our beach! It creates opportunities for all of us to bond, as we support our children grow and play. It's this support that ensures a great Sunday morning on the beach."***

Nippers program culminating in the under 14's achieving their Surf Rescue Certificate, it's a credit to all involved. We as a Club continue to nurture our amazing Nippers, resulting in some amazing young people whose potential is endless.

Bravery – Extremely humble and yet very brave. Whilst representing her local football club and the Mandurah Crab Festival, Sophia McCallion recognised a young boy in distress whilst swimming within the Mandurah Foreshore pool. And

without hesitation safely entered the water and approached the child, and calmly brought him back to the beach. Sophia's actions not only demonstrated her skill learnt through the Woodside Nipper program, but demonstrated the potential of our amazing youth.

Well done Sophia, you're a great example to us all!

U12 & U13 Crusader Experience – On completion of Nippers this year we conducted a Crusader experience for the U12s and U13s. The morning's

activities were a huge success, introducing both Kids and Parents to the Youth Program and what can be achieved by all; and yes this does include parents.

Some parents are now considering the SRC and Bronze journey with their children. This Initiative is something we will continue to grow, as we demonstrate what it means to be a lifesaver, and the experiences involved. We hope more parents will join our ranks and continue the Surf Lifesaving Journey with their children.

## VOLUNTEERS

**Age Managers** – The Woodside Nippers program is nothing without our fantastic volunteer Age Managers. Our Age Managers bring so much to our Nippers experience, as together they achieve Safety and Surf Lifesaving skills, your enthusiasm and exuberance and commitment to your age groups ensure that our Nippers not only meet their goals but thrive on the challenges thrown at them as a results of your continued support. I'm sure I am not alone when I say thank you to

you all for everything you have done for the Club and children you continue to nurture into Surf Lifesavers.

**Water Safety** – Safety is one of our main priorities when conducting the Woodside Nipper program. The safety of our Kids in the water being the main concern and a lot of this responsibility falls onto our water safety team. Coordinating our water safety team this season has been Mark Glover and Graham Shackles, supported by our Patrol Captains as necessary; with IRB Drivers & Crew

patrolling our can line ensuring our children remain safe.

A large component of our Water Safety though comes from our Crusaders, whether it be our SRC's or Bronze's, they give much of their time on a Sunday Morning supporting our kids when they're in the water, encouraging and assisting them to achieve new goals in the water and surf.

Finally our parents, this season we saw increased numbers on our Nipper Rescue Certificate course,

as many of you have realised this course is not particularly hard but is an essential component of getting our children in the water. We must achieve Five Nippers per One Water-Safety or One on One with our Starfish Nippers, this is often a big commitment on our resources but our NRC parents have certainly stepped up to the plate this year. Thank you to you all for this thankless and essential part of our Nipper Safety and Success.

**Volunteers** – Much of what happens

on a Sunday goes unnoticed and behind the scenes. The amazing staff in our Office ensure that everything is ready to go; advertising, announcements etc. keeping me on track. Our Club Captain, ever present on our Nipper Days, making himself available to all, and then the lovely ladies who work our Kiosk, providing sausages and drinks to our Nippers. All these volunteers complete these thankless jobs behind the scenes ensuring that our Sundays run smoothly, that our carnivals and events are well supported. Thank you

to all of those who are involved in our Woodside Nipper Program, without your selfless commitment to our kids and the Club we could not achieve what we have done this season; nor could we move forward in the Future. **Thank you!**

Congratulations Iona (SLSWA Nipper Club Achiever) for an amazing season, and for the support you have provided to peers and the SHSLSC.

**Mark Cossey**  
**Director of Youth**

***“All kids need is a little help, a little hope, and somebody who believes in them.”***

## STARFISH NIPPERS

Our goals for the Starfish Nippers program is to learn beach safety whilst having fun at the beach. We aim to involve kids with additional needs, to help them feel a sense of achievement, confidence and acceptance in an environment where they otherwise may not be included.

Each season as our Starfish return, we have seen them grow as they develop established skill and focus on how they can belong within our Club, and other clubs in the future. Our objectives are set to individual goals, give everything a try, train here and one day be part of a surf lifesaving community – in whatever capacity they so choose.

Our Starfish explored the lifesaving skills utilised within our Club which included.

- Introducing a Starfish Captain – a leadership role for one child within the group.
- Learning and practising reading the beach signs / hand signals each week.
- Learning First Aid Bandaging and DRS 000
- Experiencing the IRB, ATV, Radios, Binoculars in the Patrol Tower.
- Board Training – introducing larger board to older members.

This is just a few of the activities our Starfish achieved this season,

all possible due to their tenacity and willingness to give things ago. Our amazing volunteers whose commitment each week provides consistency enables the fostering of a strong relationship and trust for each individual child participating within this program.

The feedback from our Starfish Nippers and their parents has been great with more planning to return next season; while some will move to mainstream groups.

A big thankyou to the SHSLC members who support our program, and our generous sponsors “The Stan Perron Charitable Foundation”. Starfish Nippers wouldn’t be as successful as it is without them.

**Mark Cossey**  
Director of Youth

# WOODSIDE NIPPERS AWARDS 2022/23

## SURF LIFESAVING WA NIPPER CLUB ACHIEVER AWARD: IONA ALSOP

AGE GROUP	AWARD	BOY	GIRL
Under 8	Champion	George Kennedy	Millie Scott

	Runner Up	Casey Reed	Mackenzie Coles
	Coaches Award		
Under 10	Champion	Edward Kennedy	Penelope Gaudlitz
	Runner Up	Eric Trovato	Lacey Maclean
	Coaches Award	Lincon Phillips	
Under 11	Champion	Parker Goddard	Alayla Schmid
	Runner Up	Riley Davey	Heidi Geddes
	Coaches Award	Kasper Godfrey	Lucy Koschel
Under 12	Champion	Robie Dennison	Lyla Reed
	Runner Up	Oliver Evans	Amelie Gorman
	Coaches Award	Koby Briggs	Mia Terry
Under 13	Champion	Harry Quinn	Cienna Tinkler
	Runner Up	David Glenn	Iona Alsop
	Coaches Award	Xander Kalmar	Charli Graham

## CRUSADERS CORNER

**W**ell - it's been another big year for the Crusaders! It's now 10 years that we have had the Crusaders and what a journey it has been! You guys and girls have been absolutely Awesome in your support to the Club. The numbers of 13-25s involved in our Club based Youth Engagement Program (YEPs) continues to flourish. This season our stats are again impressive with the expansion last season of our program to include the 18-25, all of which have grown up in the Crusaders Program. These guys now also make up the bulk of our Crusader Facilitators – which is absolutely AWESOME!

The youth this season again contributed significantly to the operations of the Club; assisting with Water Safety, Patrols, Abalone, community events and Nippers just to name a few.

They contributed some 3254.15 of the Club's 5638.46 hrs in Patrol/Abalone and water safety support. That's not too bad when you break up the numbers:

13-15 year olds – we had 41 completed some 1349.59 hrs. That's an impressive 32.91 hrs each on average.

16-18 year olds – we had 35 complete some 1223.06 hrs (last year 1040 hrs). That's an impressive 34.9hrs each on average.

I think that we did pretty well with the team as we only had 6 of this group in total not contributing to a patrol or water safety hrs. These 76 youths completed 2576.65 hrs on patrol or water safety!

19-25 year olds – we had 25 (last season 19) completed some 681.5 (last season 484.92 hrs). Again that's an impressive 27.26 hrs each on average.

The exciting factor is, within this group we only had 11 patrol in this age group patrol 2 seasons ago; so we have had a growth of 14 in 2 years. Hopefully we are moving forward with continuing to retain some of our U17s as they move to the U19-25 age groups. Our challenge now is to continue to work with the team so that we can continue to engage them. So overall a pretty big effort from our youth of 101 (last season 105) that patrolled this season. We are a little down from last year in the 13-15s, which means we need to work harder on not only keeping these guys but also in the recruiting and in the retention of our Nippers leading into the Cadet age group.

The Crusaders commitment again this season has been outstanding. In particular, we had seven (five last

season) Crusaders all patrol over 50 hrs (Mitchell Summers, Eloise Traeger, Isabelle Glover, Joseph Tyrrell, Ruby Rose Goddard, Riley Walsh and Patrick Walsh).

Four (two last season) over 60 hrs (Rhett Gibbons, Meagan Tong, Jazmin Kalmar, Aiden Ayoub); and six (one last season) over 70 hrs (Villam Kalmar, Stig Kalande, Angus Belton, Oliver Ayoub, Mitchell Shackles and Jacob Barker). This is an absolute awesome effort - well done team!

A number of the Crusaders are Age Managers, Assistant Managers, Office Bearers of the Club, Directors (Liam Bates was our Director of Lifesaving for the Season); and new Trainers. Many mentor the younger Nippers and their peers. Some have competed at the

highest-level competition; and some have been acknowledged as evolving leaders. Special mention to our four Junior Club Captains being Zoe Shackles, Meagan Tong, Nic Graydon and Angus Belton; our two inaugural Vice Captains in Matilda Hamer and Mitchell Shackles, with many being our new and evolving Trainers.

Izak Geddes attended the SLISA National Leadership College which is for 20 - 30 year old emerging leaders. What an honour and well done Izak.

We had five attendees this season at Toad Camp  
Isabella Ashworth  
Callum Geddes  
Ruby-Rose Goddard  
Stig Kalande  
Sorcha Hulland

We had five attendees at Rise Up Camp  
Jazmin Kalmar  
Noah Stephenson  
Aiden Ayoub  
Oliver Ayoub  
Ruby Moogan

We were well represented this year on the Rookie Lifeguard Program by:  
Noah Stephenson  
Aiden Ayoub  
Oliver Ayoub  
Jacob McCarron  
Romy Dullaghan

We also have some nominees and finalists in this year's Youth Awards of Excellence in **Jazmin Kalmar – SH Youth Achiever of the Year** and winner of the **WA Youth of the Year**. Rhett Gibbons was a nominee for

U15 Lifesaver of the Year and Jazmin Kalmar as our nominee for the Youth Official of the year - Outstanding!

We also have finalists for the SLSWA Awards of Excellence:

— **Young Volunteer of the Year** (18-25) – **Patrick Walsh**

— **Youth Lifesaver of the Year** (15-21) – **Mitchell Shackles**

— **Trainer of the Year** – **Meagan Tong**.

While not aged 13-25 we have one of our Mentors Tim Wilson as a finalist in the Life Saver of the Year category. So proud of these guys making it as finalists - fingers crossed that they take out the category! Role on the

1st of July for the SLSWA Awards of Excellence.

A couple have taken up the opportunity to participate in the SLSWA Youth Leaders Program with 1 member gaining their Gold; Ruby Rose Goddard. 19 have just gained their Silver YLP so we are expecting all of you at the Youth Awards of Excellence next season!

We have had a huge amount of fun over the years, with this year being no exception. Our first outing was at the Commando Challenge organised by Jacob Crockett and team. We have since done IRB/RWC, IRB Awards, held a number of exercises with Marine Rescue Rockingham, completed our SRC/BNZ/IRBC Crew Development Program that finished with the SRC/

Bronze Camp sleepover, conducted Abalone Patrols, Rock Rescue of Secret Harbour Beach with our U13s (and as usual these guys just ate it up!).

We had a number of mums and dads join us for the annual Crusaders Induction Day for a IRB induction and some parallel runs. For the older guys we conducted Powercraft famils at Denmark, Pengo's and Point Peron. We also had our RWC members in Jasmine Noorman, Mitchell Shackles, Tayla Jones, and Riley Walsh and some of us older guys (Craig and

myself) heading back to Denmark on the 26 May; where our young team cut their teeth on some big surf 3.5+!

The annual camp was of course again at Serpentine. With 56 attending this season. Next season we will be back in the South West and hopefully at

the SLSWA Margaret River Centre of Excellence.

Over the course of the Season the Crusaders have been working towards their SRCs, Bronze, IRB Crew, Trainers and our YEPs rewards of Bronze, Silver and Gold by engaging in Patrols, development activities and in Surf Sports.

Our Crusaders had an outstanding year in Surf Sports across all disciplines including Surf Boats and Pool Rescue; which is awesome. Surf

Sports is an area that we need to build as a Club as all of the research shows that members involved with Surf Sports or a program are retained for much longer within the movement.

I'm sure if you go to the Surf Sports results section of the Annual Report you will all agree that we have been extremely well represented this Season by the team of competitors with outstanding results in Pool Rescue, at Countries and States.

We have qualified a number of Youth

Age Managers – 10 in fact which is outstanding.

This year we had 21 progress their BNZ (23 including some mums and dads), 20 their SRCs (25 including some mums and dads, and 18 Crewies. Huge effort team!

We also qualified another 2 Crusader IRBDs in Matilda Hamer and Jaz Kalmar - with the next course having 13 17-21 year olds on it starting in July! YEP THATS 13! Never have we had that at Secret Harbour.

For our older Crusaders we have had eight complete their WA Trainers Award Aiden Ayoub, Oliver Ayoub, Jacob Barker, Rebecca Febia, Jazmin Kalmar, David McCarron, Jacob McCarron, and Joseph Tyrrell. Hoping now to convert some of these to BNZ Trainers over the winter.

We are also qualifying another three RWC Crusader operators! In Nic Graydon, Riley Walsh and Tayla Jones.

**27 Youth Engagement Program Bronze Award.**

## JAZMIN KALMAR SLSWA 2023 YOUTH OF THE YEAR

Every Club in WA nominates one Youth Club Achiever of the Year. Each nominee is then considered by the SLSWA Development Committee for the award of the SLSWA Youth of the year.

The award recognises the outstanding Club contributions of one youth member (Under 14 - Under 17) in the areas of Lifesaving, Training, Leadership and Surf Sports.

For season 22/23 Jazmin Kalmar from Secret Harbour SLSC was named 2023 Youth of the Year. Jazmin holds a number of lifesaving awards including

Bronze Medallion, First Aid, Advanced Resuscitation Techniques, plus IRB Crew and a Training Officers Award which sees her assist with training new members for SRC and Bronze. Described as a positive and gracious individual, Jazmin has also acted as an Age Manager and Youth Official throughout the season.

I'm sure that all would agree that Jazmin as one of our Crusaders is extremely active around the Club and in her development as a Lifesaver, educator and mentor and emerging leader of tomorrow.

**Congratulations!**

### 17 Youth Engagement Program Silver Award.

### 16 Youth Engagement Program Gold Award:

Now these guys have done the extra yards being part of a community program – so been a part of the Abalone Patrols, Starfish Nippers or taken on the role as the Age Manager to achieve this reward this season.

There are a number of others working towards their next level.

We'd like to thank everyone that has made, and continues to make, the YEPs program the success that it is today:

Firstly, our Crusaders – you guys rock!

To the mentors that assisted with the camp, our monthly outings and Sunday morning activities –there are just too many of you to mention now which is part of the success of the program.

To the ladies that assisted with feeding

some 70 people at our Club sleep over to those that assisted with transport - we salute you guys.

Our Crusaders leadership – LEGENDS!. There are many others that have assisted along the journey this season and I thank you guys HEAPS!

There is nothing better than watching and being a part of the development of these fine examples of our Western Australian Youth and our leaders of the future.

Our Sponsors Paul Papalia, Team Anzac, Ocean and Earth, Alcoa that have assisted us in financing our program and Megan Williams for the Gold Rewards.

And who can forget the Mandurah SES for loan of their bus - thank you!

Finally, we'd like to acknowledge the BoM's support of the program. The program is a substantial investment into our future.

### THE NEXT CHAPTER

We embarked on an 18-23s Program last season and now it has cemented itself as an 18-25s group; with the group growing in just two seasons from 11 to 25.

While we didn't do much, this small group has done lots in reflection – mainly in the Powercraft areas of upskilling and in advance skills. Watch this space for some more adventures with a difference as the new SLSWA Facility at Margaret River opens in the second half for season 2023-24. More on that later.

I'm excited to work with these young men and women and to explore their potential and growth as our Lifesavers of today and leaders of tomorrow.

I hope to see you all over the winter as the team plan our next adventure – Logue Brook Dam...Go Karting...and there has been chatter around a high Ropes activity!

**Garry Williams**  
Cadet Officer

## SURF SPORTS REPORT

Surf Sports continues to grow as a focus area for SLSWA and as such we had a very busy calendar during the season.

The Surf Sports section experienced another period where numbers dropped, however implemented

strategies to start the rebuild. These strategies included establishing the Surf Sports committee, which worked well and helped drive direction for Surf Sports. This committee also began structured strategic planning, which is progressing well. They communicated to the membership that their SLSC

personal insurance is only valid if they are being coached by SLSC qualified coaches and the activity is a sanctioned Club activity in an effort to further protect the members and athletes. They have progressed the installation of permanent buoys which will be installed at the beginning

of next season. They commenced the establishment of a parents committee to support the coaches and worked on further structure around the establishment of a Surf Sports academy. So, a busy season both on and off the beach.

Coaches also partnered with some Age Group managers and did Surf Sports skills coaching of nippers to

improve their skills and confidence; and regenerate interest in Surf Sports. This was very well received and we will look at expanding this next season; as it both helps to attract more athletes to Surf Sports and helps with the development of competent future lifesavers.

So how did we do this season at State level competition? Our Pool

Rescue crew smashed it again bringing home 50+ medals at the State Championships and one silver medal for Peter Traeger at the Australian championships. This is an amazing effort by all and particularly Coach Carolyn Wilson and her assistants. Our Pool Rescue team came 2nd overall at the State Championships and we are hoping they can go one better this Pool Rescue season

and put Secret Harbour on top. Of interest regarding Carolyn, not only is she an Instructor, Examiner and Coach, but Carolyn is also a very well respected Official at both the State, National and International level. If ever you are wondering where being an Official can take you, ask Carolyn about her experience being an Official at the International Lifesaving

Championships in Italy last year. So if you want to travel, consider becoming an Official!

Other fantastic results included 3 medals at the Nipper State Championships. 1 medal at the Master's State Championships, 3 medals at the Open State Championships and 1 medal at

the State Surfboat short course Championships.

As you can see, for a small Surf Sports community we perform well, this is due to our awesome Coaches who I would like to thank for all of your efforts this season. You should be proud of the results that you have achieved and the culture you are developing.

We also had good representation at the Aussies which was held in WA this season. Although we did not medal, the experience of how big Surf Lifesaving is and the clear display of how Surf Sports directly relate to Lifesaving is immeasurable and left an impression on all that attended.

A personal dream of mine has been to have a SHSLSC Surf Sports logo that encompasses all Surf Sports as much as possible; and represents SHSLSC Surf Sports. I would like to sincerely thank Jo Wilson for realising my dream and creating an awesome design for our Surf Sports section now and in the future. Everyone who has seen it loves it and identifies with it. The design was very proudly displayed on the Aussies touring uniform.

We were able to grow our Coaches and Officials this season with a few new Youth Coaches and Youth Officials, which is fantastic. Without Officials and Coaches, we can not progress in Surf Sports, so thank you to all of you and I hope that you have a long and fruitful career with Surf.

Finally I would like to thank again the Coaches and Officials, our athletes and all of those that support Surf Sports. Without you, our fantastic results would not be possible.

**Brendan Privilege**  
Director of Surf Sports
